

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

CALIFORNIA FIG SYRUP CO.
SAN FRANCISCO, CAL.
LOUISVILLE, KY. NEW YORK, N. Y.

PERSONAL MENTION.

G. A. Hall is up from the Cascade Locks today.

Mrs. Kate Smith, formerly of this city, is visiting friends here.

Mr. M. Draper, one of Wasco's leading men, is a visitor to our city today.

Mr. Fred Whitney returned last night from a few days' business trip to Portland.

A. D. Spencer, of the John V. Farewell Co. of Chicago, is in the city today representing his firm.

Fred Burchdorf, who has spent some time in the hospital in Portland, is expected home this evening.

Messrs. Wheat and Peetz, of Moro, will return to their home this evening. Although disappointed in the result of their visit as regards the meeting which they came to attend, they are much pleased by the treatment given them by the members of the club.

Our Land Office Business.

The report of the land office in this city for the month of December is very flattering, an unusual amount of business being done, as is shown by the following account:

Receipts from all sources during the month, \$33,605.09.

Seventy-four homestead entries, covering 11,279 07 acres.

Thirty final homesteads.

Six final timber cultures.

Five original desert land entries.

One hundred and sixty cash entries, 25,558.81 acres.

Timothy and other fees collected, \$69.95.

Twenty-four contested cases served during the month.

Unearned fees received in cases suspended, \$5,285.11.

During the month \$36,074.31 has been forwarded from this office.

The CHRONICLE can safely assert that, taken all in all, this report is not equalled by any land office in the state.

"On the Suwanee River," which comes to the Vogt opera house on next Monday (January 16th), tells a story different from the usual run of melodrama. The blind girl, Dora; the witless Frank, and Caleb Croc, the miser, are three characters rarely introduced in a play. Willard Newell is the villain of the villainous, gr-sping, sneaking miser of the very life. It is pronounced a fine character study, repulsive but true in every word and movement. Stella Mayhew as Aunt Lindy, is a living picture in walk, talk and gesture of the old black mammy, familiar in the South, while the other members of the company are equally adept in their parts. The scenic equipments are taken from the picturesque shores of the old Suwanee, and the various scenes, of which there is an entire carload, are assured to be true to the very life of the country around this famous stream.

Attention, W. K. C.

All members of J. W. NeSmith W. R. C. are requested to be at Fraternity Hall tomorrow (Friday) at 2 o'clock p. m. sharp to practice for installation ceremonies. By command of installing officer.

Grip in Oakland.
OAKLAND, Cal. Jan. 11.—An epidemic of grip is prevalent in this city. Health Officer Dunn says he thinks there are at least 4000 cases, and if the weather conditions do not aid the health department in checking the disease a repetition of the epidemic of eight years ago may be expected. So far it is only manifest in a mild form, but there have been several deaths and there may be more. It is probable that all buildings will be fumigated and instructions issued to heads of families warning them of the existing conditions.

La Grippe Successfully Treated.
"I have just recovered from the second attack of La Grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by Blakeley & Houghton.

Run Down by a Fast Train.
PITTSBURG, Jan. 11.—Four persons were run down and instantly killed by express train No. 13, near Larimer station, on the Pennsylvania railway, 25 miles east of Pittsburg. The list of dead follows: Mary Miller, Thomas Miller, Albert Wilson, Walter Brown.

The train dashed into the group of unfortunates at full speed, and the bodies were terribly mangled. After being gathered up, the remains were taken in charge by friends.

Spain's Greatest Need.
Mr. R. P. Olivia, of Barcelona, Spain, spends his winters at Aiken, S. C. Week nerves had caused severe pains in the back of his head. On using Electric Bitters, America's greatest blood and nerve remedy, all pain soon left him. He says this grand medicine is what his country needs. All America knows that it cures liver and kidney trouble, purifies the blood, tones up the stomach, strengthens the nerves, puts vim, vigor and new life into every muscle, nerve and organ of the body. If weak, tired or ailing you need it. Every bottle guaranteed, only 50c. Sold by Blakeley & Houghton, druggists.

Proposed Exposition for 1901.
WASHINGTON, Jan. 10.—A delegation of ten citizens from Buffalo called at the White House today to assure the president that enough money had been raised to insure the success of the Pan-American exposition at Buffalo in 1901.

Congress at the last session passed a resolution providing that countries other than the United States should be invited to participate when a proper exposition fund had been raised.

How to Prevent Pneumonia.
You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. For sale by Blakeley & Houghton, druggists.

Sick Troops Coming.
SAN FRANCISCO, Jan. 11.—The division field hospital at the Presidio, which recently discharged most of its patients, will at once be filled to its utmost capacity when the transports Ohio and Senator get into port from Manila in about a week with the sick of the Thirtieth Minnesota regiment and detachments from other commands numbering in all about 300 patients. The Senator will also bring the Astor battery.
