To Raise the Sunken Ship. TACOMA, Wash., Jan. 15.—Several men have already come forward with plans to raise the sunken ship Andelana. One man proposes to attach strong lines to her and drag her ashore by the aid of several locomotives. Just how he is going to do it he does not explain. Another man is going to attach a lot of line to her, fastened to a collection of barrels and barges. Just how he is going to attach the lines to the sunken ship, 140 feet below the surface, he does not say. Competent shipping men say there is no apparatus, nearer than New York or England, that is capable of ever lifting her off the sand on which she is lying broadside. There is only one diving apparatus on this coast, they say, that will permit even the most expert diver to descend as deep as 100 feet.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free. F. J. CHENEY & Co., Toledo, O. La Grippe Successfully Treated. "I have just recovered from the second attack of La Grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by Blakeley & Houghton.

To the Public. We are authorized to guarantee every bottle of Chamberlain's Cough Remedy and if not satisfactory to refund the money to the purchaser. There is no better medicine made for La Grippe, colds or whooping cough. Price 25 and 50 cents per bottle. Try it. Blakeley & Houghton, druggists.
