

THE EXCELLENCE OF SYRUP OF FIGS
is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

The Quakers.

These queer people called Quakers or the silent worshippers of the Almighty God, have from century to century retained their religious reputation free from all blemishes, by their daily practice of honesty, integrity and social purity. History teaches us that in olden times these good people were terribly persecuted for their religious belief. But through all the punishment bestowed on them they proved to be the happiest and most contented class of people on God's green foot-stool. Abstinence, chastity, peace, good will and brotherly love is the foundation stone of their faith, their motto being peace and good will toward all men.

A staff of Quaker doctors are now in The Dalles, giving lectures and entertainments at Baldwin's opera house nightly. Admission 15 cents to all. The doctors can be seen daily at their office at the Umatilla Hotel; office hours between 10 and 12.

COURT-MARTIAL FOR EAGAN

President McKinley Announces His Intention to Order It.

AMENDED STATE- MENT PUBLIC

Eagan Has Eliminated all Objectionable Language From His Statement— Incident Closed so Far as Commission is Concerned.

WASHINGTON, Jan. 17.—President McKinley announced to the cabinet at the regular meeting today that he has determined to court martial Commissary-General Egan. Alger was not at the cabinet meeting, but with Adjutant-General Corbin was at the White House in conference with the president on the subject just prior to the cabinet session. An order for the court martial probably will be made today.

Just prior to the cabinet meeting General Miles made a rather unusual call upon two of the members of the cabinet, Hays and Long. He had just returned to the city from New York, and when spoken to with reference to the Eagan case adhered to his original declaration that this was not the time for him to act, if at all, leaving the implication that if the commission or the administration did not act it would then be time for him to take some steps.

WASHINGTON, Jan. 17.—The war investigating commission today stated that the amended statement of Eagan would be made public, and newspaper men were allowed access to it. Eagan has eliminated all objectionable language and the phraseology has been altered frequently. Eagan while referring to Miles as the "senior general" resents any resumption of Miles' superiority, and asserts that he (Eagan) is as good, old and experienced a soldier as Miles.

He also criticises the latter's attack on the beef industry as infamous. It is believed that so far as the commission is concerned the incident is now closed. Colonel Gibson, distributing agent of the National Beef Association at Santiago, testified before the commission today. Gibson said the canned corn beef furnished at Santiago was unfit for use. The commission then adjourned until tomorrow.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

La Grippe Successfully Treated.

"I have just recovered from the second attack of La Grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexico, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'"

Sam Jones on Kissing.

The noted evangelist, Sam Jones, has the right idea in regard to the criticisms on Hobson's kissing tour. However, he certainly could not have taken as his text upon the occasion when he made the following statements, the words of the Bible, "Greet all the brethren with a holy kiss," which would excuse the sisters for their conduct and compel Hobson to receive them without a murmur. He says:

"The newspapers may decry Hobson and speak ill of him, but he has the profound sympathy of my heart. Why, to kiss everybody that comes along, from the old maid with moss on her lips to the gay widow; to kiss the old sister whose nose and chin are meeting; to kiss the good, the bad and the indifferent. 'Gentlemen, I like kissing, but I want to pick the time, place and case. Poor Hobson. He needs the prayers of the church and the sympathy of his comrades.'"

How to Prevent Pneumonia.

You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted.
