

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Grotton, S. D.: "Was taken with a bad cold which settled on my lungs; cough set it and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God, I am saved and now a well and healthy woman." Trial bottles free at Blakeley & Houghton's drug store. Regular size 50c and \$1. Guaranteed or price refunded.

Buttler and Hammond.

WASHINGTON, Jan. 19.—Representative Tongue today stated that Clifford Morgan Buttler, of Albany, had passed the best mental examination of all the candidates for appointment to West Point, but that he was slightly deficient physically.

Thomas West Hammond, of Ashland, passed the best physical examination, with good mental examinations. Although the appointment of cadet was not made today, Mr. Tongue expects to make it tomorrow, in which event Buttler will receive the appointment, with Hammond as alternate. Should Buttler fail physically, Hammond will receive the cadetship if he can pass the academy examination.

How to Prevent Pneumonia.

You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. For sale by Blakeley & Houghton, druggists.

Died of a Broken Heart.

CAMDEN, N. J., Jan. 19.—Mrs. Della V. Morgan, of Stockton, is dead. Three weeks ago her son died of grip. Since then Mrs. Morgan has been acting queerly. Yesterday she became a maniac.

The woman called loudly for her dead son and then sank into a comatose state, from which she emerged this morning only to die in a few minutes.

The physicians who attended her said that death was the result of a broken heart.

La Grippe Successfully Treated.

"I have just recovered from the second attack of La Grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by Blakeley & Houghton.

Pure-Food Delegates Already There.

WASHINGTON, Jan. 19.—Of all the Oregon delegates to the pure-food congress now in session in this city, Binger Hermann, Henry H. Gilfrey, A. B. Slauson and A. W. Patterson are the only ones so far in attendance. The others have not been seen in Washington.
