

SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

Want to Muster Out at Manila.

The soldiers in Manila are hoping that they will be mustered out there, and allow the mileage and pay which would be due them. A recent order issued to paymasters gives the following instructions:

"All officers will be entitled to one day's pay for every 20 miles of travel from place of muster out to place of enrollment. Enlisted men will be entitled to the same, and to subsistence at the rate of 30 cents per day for every 20 miles traveled as above. Fractions of a day, less than one-half (ten miles) will not be considered. For a day, equal to

half a day, a full day's pay will be allowed."

As there are 420 days' travel between here and Manila, allowing twenty miles to a day, this would mean a good "clean-up" for the boys, and the officers would get home as complacent as a lucky Klondiker.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50 cents and \$1.00. Trial bottle free at Blakeley & Houghton's drug store; every bottle guaranteed.

Arrested For Stealing Gold Nuggets.

LONG CREEK, Or., Jan. 24.—A man named J. H. Morgan, who has just returned from a trip to Portland, was today arrested by Constable George F. Ward and taken to Canyon City, under instructions of Sheriff Livingston. Morgan is suspected of having stolen a large quantity of nuggets or gold dust from the Sloan-Haskell Mining Company, at Susanville. He came to this county last September, and has spent most of his time in the mountains near Susanville, but for some time past is said to have been in the employ of the Sloan-Haskell Co. Upon being discharged by that company he came to Long Creek, and later departed for Portland. In this city and Heppner he is reported to have displayed a tobacco sack filled with gold, and a pay check from Sloan & Haskell. Morgan says he is innocent of any crime, and asserts that there can be no case made against him, while the Sloan-Haskell representatives say that the nuggets were picked up from the badrock in their placers.

La Grippe Successfully Treated.

"I have just recovered from the second attack of La Grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by Blakeley & Houghton.

Shipley Is Commandant.

ROSEBURG, Or., Jan. 24.—The board of trustees of the Oregon Soldiers' Home, regular session removed Commandant W. H. Byars. The discharge will take effect February 1. W. J. Shipley, of Portland, was appointed to succeed Byars. The board reinstated the hospital matron, Miss Mann, awarded the contract for the new laundry and chapel to J. Hunter, of this city, audited bills and then adjourned.

How to Prevent Pneumonia.
You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. For sale by Blakeley & Houghton, druggists.
