WAYSIDE GLEANINGS.

Going—Manhattan shirts at 98 cents—A. M. Williams & Co.

It makes a woman shudder to think how happy she could have made you.

This morning The Dalles was visited by a warm rain which again made our streets rather muddy.

All bills outstanding against The Dalles Club Minstrels will be paid on presentation to E. H. Lonsdale.

The timbers under the building occupied by J. P. McInerney as a dry goods store, are being replaced today by new ones.

At a special school meeting held in the Court street school house yesterday afternoon those present from school district No. 12 voted a tax of 7½ mills. This is the same tax as was levied last year.

While alighting from the passenger train last night Elmer Jones fell and sustained a double fracture of his right arm. Dr. Hollister was called and relieved the patient suffering and he is resting easy today.

About a week ago near John's mill, Ralph Long had the misfortune to chop off one of his big toes. He was brought to town today and sought the services of Dr. Hollister, who is treating the wound, which is quite a bad one.

The handsome steel ceiling and trimmings for Mays & Crowe's store are being put up and add a great deal to the appearance of the interior of the building. When finished this will be one of the handsomest and best equipped buildings in the northwest.

Owing to the increase in business The Dalles Steam Laundry found that their old boiler was not sufficient to do their work, so they were compelled to send below and get a larger one which has just been put in place. They are now prepared to do all work given them in a speedy and satisfactory manner.

On February 14th, St. Valentine Day, Cascade Lodge No. 303, B. P. O. Elks will give their grand ball. Parsons orchestra of Portland has been engaged and every detail to make the affair a

success has been looked after. The committees are hard at work and undoubtedly those fortunate enough to be present on the night of the ball will be agreeably surprised and delighted.

The squirrel which has been a great pet at Parkins' barber shop died yesterday from wounds received while in an altercation with a cat. He was buried this afternoon in a stone coffin, the gift of Louie Comini. Marjans Long played a funeral dirge and there was general sorrowing among those present.

An exchange says inasmuch as you would like that your paper be a good local paper, just reflect a moment and see how much local news you have furnished for it. As you would like that your home paper would speak a good word about you, just reflect how many good words you have spoken for the paper.

Polk Mays, a prominent cattle man of Walla Walla county, unloaded four carloads of big steers at the stockyards last Friday that he had shipped up from The Dalles to eat some of his surplus hay on his Walla Walla county ranch. This is a little out of the usual line in stock shipments but Mr. Mays evidently concluded he could make it pay or he would not have made the shipment.—La Grande Chronicle.

The Dalles Club Minstrels repeated their performance last night to about two hundred people and were warmly received. There were a few slight changes from the previous evening but practically the same show was given as on the first night. Everything ran somewhat smoother than on the opening night as the boys were more familiar with their turns. They were exceedingly good and merited all the patronage bestowed upon them.

The following children can be had for adoption by addressing I. F. Tobey, superintendent of the Oregon Children's Home Society at 606 Marquam building, Portland, Oregon: One girl baby, aged three months. One boy baby, aged four months. One baby boy aged twenty-two months. One boy aged three and a half years. One girl eleven years old. These are all desirable children. Several good homes are wanted for older children, and by writing to the above address full particulars will be given.

About our Residents.

We clip the following from yesterday's Oregonian:

Victor Ward, youngest son of "Long" Ward, an old-time settler, and one of the wealthiest farmers of Wasco county, and Miss Lottie E. Baker, of The Dalles, were married at the Columbia hotel, Vancouver, at 9 o'clock Saturday evening. They were very shy about it, intending to surprise friends. Mr. Ward has been in the city for about three weeks, and Miss Baker came down about a week ago, and found all the arrangements for the wedding complete. Without saying anything to their friends they went over to Vancouver Saturday evening, and were quietly married. As this style of getting married deprived the friends of the couple of the opportunity of making the usual wedding present, Mr. Ward presented his bride with a check for \$1000, to make up for this. The happy pair will return to The Dalles this morning, and will take up their residence on the old Ward homestead, twelve miles from The Dalles.

Charles Hilton, ex-joint senator of Gilliam and Wasco counties, and a successful sheep raiser, has about completed a beautiful ten-room cottage on Irving street, between Twenty-second and Twenty-third, at an expense of \$5000. This building is modern in all respects, lighted by forty electric jets, and heated by the newest hot-air system. It contains large, roomy and well-lighted halls, closets, wardrobes and convenient recesses everywhere throughout. There are vestibules, cloak-rooms, linen closets, stationary, medicine cupboards, laundry fixtures, bathrooms and old-style fire places. Mr. Hilton has decided to make his home in Portland on account of superior school facilities.

Cleveland Bicycles for 1899.

The models for the coming season will be No. 61, men's roadsters, \$50; No. 62, woman's special light roadster, \$50; No. 63, men's regular roadsters, \$75; No. 67, woman's regular roadster, \$75; No. 69, men's roadster thirty minute wheel, \$76. Quality is Cleveland throughout, not a part slightest not a machine unworthy of a Cleveland name plate.

1899 changes—Wider handle bars, with new internal expanders, improved automatic clitting device, flush frame head, increased gauge of tubing, longer frame and new reinforcements, new ball bearing spokes, also new hubs. The Bomell detachable tire, more air, more comfort; special bearing along new lines. Crank yoke changed, doing away with disc on chain side; dust proof pedals; improved Cleveland gear case; new saddles.

The 1899 models are superior to any Cleveland ever offered to the public, they have more original ideas.

We have just received some '99 models. Call and see them. It's quality that talks these days, and Cleveland quality is talking loud.

SALEM, Or., Jan. 31.—[Special to THE CHRONICLE.]—The motion to reconsider the vote passing, re-apportionment was ruled out of order. Carter and Reeder appealed to the house and were sustained by the speaker.

Lord is pushing the graft providing for the purchase of ten acres of stumps near Salem, for a location of the mute school. The consideration is six thousand dollars, while the property is only estimated to be worth about three hundred. The house voted \$200 to procure more stamps. The vote on Wheeler county was reconsidered by the house and the measure was passed.

The bill for the sugar beet bounty was reconsidered and passed the house, twenty-one voting aye.

District School Report.

Announcement.

To Whom It May Concern:—I have this day disposed of the dental office heretofore occupied by me, to Dr. G. E. Sanders, who will continue the same in the rooms formerly occupied by me in the Chapman block, The Dalles, Oregon. I take pleasure in recommending Dr. Sanders to all my old friends and patrons and ask for him a continuance of the liberal patronage heretofore given me.

I have seen Dr. Sanders work for the last four years and I must say, it places him among the best operators of the

How to Prevent Pneumonia.

You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. For sale by Blakeley & Houghton, druggists.

La Grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Shepard, publisher Agricultural Journal and Advertiser, Eldon, Mo., says: "No one will be disappointed in using One Minute Cough Cure for La Grippe." Pleasant to take, quick to act. Snipes, Kinersley Drug Co.

Volcanic Eruptions

Are grand, but skin eruptions rob life of joy. Bucklen's Arnica Salve cures them; also old, running and fever sores, Ulcers, Boils, Felons, Corns, Warts, Cuts, Bruises, Burns, Scalds, Chapped Hands, Chilblains. Best Pile cure on earth. Drives out pains and aches. Only 25 cts. a box. Cure guaranteed. Sold by Blakeley & Houghton, druggists.

In Olden Times

People overlooked the importance of permanently beneficial effects and were satisfied with the transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipation, well in-

formed people will not buy other laxatives, which act for a time, but finally injure the system. Buy the genuine, made by the California Fig Syrup Co.

Blamarch's Iron Nerve

Was the result of his splendid health. Indomitable will and tremendous energy are not found where stomach, liver, kidneys and bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25c at Blakeley & Houghton's drug store.

To the Public.

We are authorized to guarantee every bottle of Chamberlain's Cough Remedy and if not satisfactory to refund the money to the purchaser. There is no better medicine made for La Grippe, colds or whooping cough. Price 25 and 50 cents per bottle. Try it. Blakeley & Houghton, druggists.

Mr. S. A. Fackler, editor of the Micanopy (Fla.), Hustler, with his wife and children, suffered terribly from La Grippe. One Minute Cough Cure was the only remedy that helped them. It acted quickly. Thousands of others use this remedy as a specific for La Grippe, and its exhausting after effects. Never fails. Snipes-Kinersley Drug Co.

The smallest things may exert the greatest influence. De Witt's Little Early Risers are unequalled for overcoming constipation and liver trouble. Small pill, best pill, safe pills. Snipes-Kinersley Drug Co.

Good Wood.

To get the best dry fir and pine wood that the market affords ring up 40. Prompt delivery. The Dalles Lumbering Co. Jan 27-2m
