The committee appointed to see about extending the main on Alford and Madison streets reported that they made an examination of said premises and recommended that a fire hydrant only be placed on said streets. On motion it was ordered that a hydrant be placed on streets as above named.

J. W. French appeared before the commission and requested that they make an extension of the water main on Second street to the east end of the Wasco Warehouse. The commission decided not to take immediate action regarding the matter further than instructing the secretary to communicate with the Oregon Iron and Steel Works of Portland, as to the cost per pound of four and six-inch cast iron pipe and the number of pounds per foot, so the commission would know the exact cost of expense of putting in the extension as above named.

In the matter of Dalles City water rent for fire protection, Dalles City is paying the sum of thirty-two dollars per month for the same, and as the commission has made valuable improvements in the water system and has placed several new hydrants in desirable locations it appeared to the commission that the sum heretofore paid was not sufficient for the protection received. It was therefore ordered that the amount be increased to the sum of sixty dollars per month.

WASHINGTON SENATOR CHOSEN

Foster Elected With One Vote to Spare, Which Terminates the Long and Hard-Fought Contest.

OLYMPIA, Feb. 1.—On the twenty-fourth joint ballot today, Addison G. Foster was elected United States senator to succeed John L. Wilson. Eighty-one votes were cast for Foster, although only 57 were necessary to elect.

Only one member, Representative Somerindyke, of Seattle, failed to vote for the caucus nominee on the first ballot today. Somerindyke voted for Mayor Thomas J. Humes, of Seattle.

Stockwell, a Wilson man, is in the hospital, but his proxy said he would, if present, support the caucus nominee. The election of Addison G. Foster today had been settled in caucus last night when rather a stormy time was experienced, 25 of Ankeny's supporters walked out before the ballot could be taken, as they were informed Foster had signatures from sufficient republican members to secure his election. Senator Wilson had requested his supporters to cast their strength to Foster and thus bring the fight to a finish.

When these 25 men walked out it left just 58, or only one majority. When the roll was called 50 republicans voted for Foster, and the remaining eight abided by the caucus majority. After this the Foster vote was made unanimous, and today Ankeny's disappointed followers submitted gracefully to the inevitable and voted with their party.

It has been a clean fight, and Mr. Foster is a popular man, with but few enemies. After the caucus there was much rejoicing about Foster's headquarters, and John L. Wilson addressed his friends in his rooms, congratulating the republican party on having elected as able a man as Addison G. Foster.

NERVOUS DYSPEPSIA

To Gain Flesh, to Sleep Well, to Know What Appetite and Good Digestion Means.

MAKE A TEST OF STUART'S DYSPEPSIA TABLETS.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think their nerves are to blame and are surprised that they

PROF. HENRY W. BECKER, A. M.

are not cured by nerve medicines. The real seat of the mischief is lost sight of. The stomach is the organ to be looked after.

Nervous dyspeptics often do not have any pain whatever in the stomach, nor perhaps any of the symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every organ. In some cases the heart palpitates and is irregular; in others the kidneys are affected; in others the bowels are constipated, with headaches; still others are troubled with loss of flesh and appetite with accumulations of acid, sour risings and heartburn.

It is safe to say that Stuart's Dyspepsia Tablets will cure any stomach weakness or disease except cancer of the stomach. They cure sour stomach, gas, loss of flesh and appetite, sleeplessness, palpitation, heartburn, constipation and headache.

Send for valuable little book on stomach diseases by addressing F. A. Stuart Co., Marshall, Mich. All druggists sell full sized packages at 50 cents. Prof. Henry W. Becker, A. M., the well-known religious worker and writer of St. Louis, secretary of the Mission Board of the German Methodist church; chief clerk and expert accountant of the harbor and wharf commission; public secretary for the St. Louis school patrons' association, and the district conference of the stewards of the M. E. church; also takes an active part in the work of the Epworth League, and to write on religious and educational topics for several magazines. How he found relief is best told in his own words:

"Some weeks ago my brother heard me say something about indigestion, and taking a box out of his pocket said: 'Try Stuart's Dyspepsia Tablets.' I did, and was promptly relieved. Then I investigated the nature of the tablets, and became satisfied that they were made of just the right things and in just the right proportions to aid in the assimilation of food. I heartily indorse them in all respects, and I keep them constantly on hand.

How to Prevent Pneumonia.
You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted.
