SYRUP OF FIGS

The EXCELLENCE of SYRUP OF FIGS is due to its origin and the simplicity of its combination, but also to the care and skill with which it is manufactured by scientific processes known to the McKee & Co., Inc. Only, we wish to impress upon all the importance of not mixing the preparation with other syrups or flavoured beverages. The genuine Syrup of Figs is manufactured by McKee & Co., Inc., and it bears no resemblance to those imitation syrups manufactured by other parties by the practice of blending the genuine article with inferior substances without disclosure or warning to the user. It is not patented by any other firm under that name. In order to beg the beneficial office of the substance to which we refer the reader is asked to call at the Company.
