

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

To Whom It May Concern:—I have this day disposed of the dental office heretofore occupied by me, to Dr. G. E. In Olden Times

People overlooked the importance of permanently beneficial effects and were satisfied with the transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipation, well informed people will not buy other laxatives, which act for a time, but finally injure the system. Buy the genuine, made by the California Fig Syrup Co.

DELIBERATIONS OF THE DADS.

Among Other Things Discussed It Was Decided to Repair Crosswalks.

Mayor Nolan presided at the council meeting last night, and the following councilmen were present: Kuck, Johns, Butts, Keller, Clough, Gunning and Michelbach.

After the minutes had been read and approved, the claim of J. P. McNerny for \$185 damages caused by his stock, between January 1st and 6th, by water from a defective sewer, was referred to the judiciary committee.

C. L. Schmidt, who was employed by the council at its last meeting to investigate the claim of the city against the county for taxes, sent in his report, which was read, and gave the delinquency up to December 31, 1898, at \$1,918.09, fifty per cent of which is upon real estate and may be collected in time. The balance is on personal property and most of it is not collectable. His report was accepted.

The matter of whether or not it would be advisable to extend the city water pipe, which connects with the O. R. & N. pipe, two or three blocks further up First street, was discussed. It was referred to the fire and water committee, which will investigate the cost and report to the council.

On account of the absence of Stephens, who is chairman of the committee on blanket license ordinance, its consideration was delayed until a future meeting.

Reports of officers were then read and accepted, after which the expenses of the city in repairing the ditches made by the contractors in putting in the new water system were reported and the recorder instructed to present the bills to the water commission.

Two bills were laid upon the table on account of being unaccompanied by the proper requisitions.

The bill of Dalles City water works, which was formerly \$32, but has been raised to \$60 on account of the increased facilities, was referred to the committee on fire and water.

The finance committee gave notice that they would not recommend payment of any further bills unless accompanied by requisitions.

On recommendation of Marshal Lauer, seconded by the entire community, the council ordered the following crosswalks repaired: South half of the crosswalk on the east side of Madison, across Second; south side Main across Court; east side of Court across Main; west side of Court across Main; east side of Laughlin across alley between Second and Third; west side Laughlin across alley between Second and Third; west side of Jefferson across Second; west side of Laughlin across Fourth; south side of Third across Washington; west side of Monroe across Third.

The recorder was instructed to correspond with Councilman J. E. Barnett for the purpose of ascertaining if it is his desire to continue in his capacity as a councilman.

The city's claim against the county for special road tax was referred to the committee on streets and public property.

How to Prevent Pneumonia. You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when

Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. For sale by Blakeley & Houghton, druggists.

BECAUSE THEY WERE FOREIGNERS

Outrageous and Brutal Murder in China of a Missionary and an Englishman.

SAN FRANCISCO, Feb. 3.—In the stories of the murders of missionaries and foreign residents recently in China, details of a particularly barbarous affair at Chongnan Chiang, involving the life of an Englishman named Fleming, and Evangelist Pan, have been wanting. J. R. Adams, of the Chinese inland mission, visited the scene of the murders, and tells of a shocking condition of affairs in the North China Daily News. He ascertained that the people of Chongnan had determined to take the life of every foreigner in the place, and when Mr. Fleming set foot in the town he was a doomed man. At least 200 people witnessed the murder of the opposite side of the river. Evangelist Pan was suddenly and quickly cut down. Mr. Fleming dismounted from his mule to go to his assistance, but he, too, was attacked and slain after a desperate conflict, in which he was dreadfully wounded with a sword and an iron spike. The two victims were stripped of their clothing and their bodies left for days on the public road.
