Cleveland Bicycles . . .

FOR 1899.

The models for the coming season will be No. 61, men's roadsters, \$50; No. 62, woman's special light roadster, \$50; No. 66, men's regular roadsters, \$75; No. 67, woman's regular roadster, \$75; No. 69, men's roadster thirty-inch wheel, \$75. Quality is Cleveland throughout, not a part slighted not a machine unworthy of a Cleveland name plate.
1899 changes—Wider handle bars, with new internal expanders, improved automatic oiling device, flush frame head, increased gauge of tubing, longer frame and new reinforcements, new ball bearing spokes, also new hubs. The Burwell detachable tire, more air, more comfort; special bearings along new lines. Crank yoke changed, doing away with disc on chain side; dust proof pedals; improved Cleveland gear case; new saddles.
The 1899 models are superior to any Cleveland ever offered to the public. They have more original ideas.
We have just received some '99 models. Call and see them. It's quality that talks these days, and Cleveland quality is talking loud.

WAYSIDE GLEANINGS.

Martin L. New and Miss C. L. Chastain were today granted a license to wed.
Sheriff J. H. Gray, of Crook county, came up on last night's train, having in charge a prisoner who is to be tried in Prineville for larceny.
Dr. Hollister has difficulty in getting about today, having sprained his ankle when coming down the hill last night after making a professional call.
Douglas Dufur received word this morning that the will of his late grandfather, Jacob Zimmerman, will be publicly read Saturday in Portland.
Rev. Wood desires to announce that Chaplain Lozier's books, "Mother's Apron Strings," were received this morning, and those who ordered them will be supplied by calling upon him.
Sixteen applicants, mostly young ladies, are being very much interested, if not highly entertained, at the county school superintendent's office today. They are engaged in taking the examination for teachers' certificates—a not overly-enviable occupation. There are also four applicants for state certificates.
At present the arrival of trains in the city is "mighty uncertain." No. 3, west-bound, which should have arrived at 5:05, reached here at 2:30, while No. 1 is six hours late. Nothing definite as to the cause of the delay has been ascertained, one report saying it was due to a slide, while another says there is a wreck up the road. The reports, however, are about as uncertain as the trains.
Rev. R. Warner, who has been conducting the meetings at the Methodist church, being compelled to attend to other duties in the district, left the city today, and word was received from the pastor in charge at Arlington, Rev. Rhodes, that he would arrive this afternoon to assist in the meetings. The new song books have been received and will be in use tonight.
"Let him that thinketh he standeth take heed lest he fall," would have been a good text for several illustrated lectures given this morning. However, we were not able to catch just what the parties interested said as they proceeded

ed to gain a foothold. No doubt it would bear repeating, as 'tis the wicked who stand in slippery places, and therefore must be the righteous who fail to stand.
Castle Rock is the scene of a wreck today, No. 51, a west-bound freight, being thrown off the track at that place by a tree which had fallen on the track. Fourteen cars and an engine were derailed, but the smash-up was not a serious one, barring the fact that the engineer, Chas. Graham, is said to be injured slightly; as is also the brakeman, whose name we could not learn. The wires being down, it is difficult to obtain information concerning the wreck.
Recently the order of Red Men purchased two lots on the south side of Odd Fellows' cemetery, adjoining those of the Elks. The remains of Wm. O'Neil were the first to be interred, and as most of the members previously owned lots in the cemetery, the newly acquired property will be used for the burial of brothers who have no families or relatives here. A number of the organizations of the city own similar lots, which only tends to show that these orders are not alone faithful to their members during life, but give them every attention possible after death.
As one by one the members of our Minstrel troupe came straggling down Second street this afternoon, citizens came to the conclusion that walking ties could not have been as difficult as walking on the sidewalks. However, it was afterward determined that the delayed Flyer took compassion on them and brought them down from Willows. The boys are delighted with the reception given them, and report a crowded house. After the entertainment dancing was indulged and all thoroughly enjoyed themselves. Those who accompanied them say the boys performed their parts, if possible, better than at home.
This morning Frank Menefee, W. R. Menefee and wife, Mrs. Jane Emerson and Mrs. Carrie Dufur left for Dufur to be present at the golden wedding anniversary of their parents, W. R. and Nancy Jane Menefee, which will be celebrated at their home at that place today. Their other children, Mrs. Eva Moorehead, Mrs. Mary Gilliam and Henry J. Menefee, will also join in the festivities, as will Mrs. Frank Menefee, who has been visiting them for a short time. This happy couple were married in Missouri fifty years ago today, and it is said their devotion to each other increases as each year goes by, commanding the admiration of their neighbors and friends who hold them in such high esteem. Upon this occasion many of those among whom they have lived for these many years, will meet with them and help to celebrate the auspicious event, while they heartily join in the wish that many more anniversaries may be enjoyed by the honored couple. Mr. Menefee is now 78 years old, while his wife is about 75 years.

FOR ASSESSMENT PURPOSES.

Wasco County Divided Into Seven Districts—Deputies Appointed.
There is always more or less dissatisfaction in regard to assessments levied throughout the county. No fault can be attributed to the assessor, as it is an utter impossibility for him to determine accurately in regard to the different districts without further aid. Therefore, for some time past the county court has been considering the matter, and it has been ordered that Wasco county be and is divided into seven districts for the purpose of assessing the property in said county. Seven deputies assessors have been appointed for the year 1899, who will be under the direct supervision of the county assessor, and receive \$3 for each day's work. These deputies will thus be enabled to see each taxpayer separately, and his assessment be made personally, thus preventing his making a complaint as to any mistake which may occur. The following deputies have so far been appointed:
For district No. 1, E. Gesling; No. 2, no appointment; No. 3, no appointment; No. 4, Joel Koontz; No. 5, T. H. Johnston; No. 6, Asa Stogsdill; No. 7, C. W. Haight and C. T. Powne.
No. 1—H. R. district—All that portion of Wasco county lying north of the base line and west of center of townships 1 and 2 north, range 11 east, W. M.
No. 2—Moelir district—The east half of townships 1 and 2, north, range 11 east, W. M. All of township 1 and 2 north, range 12 east. All of township 2 north, range 12 east, lying in Wasco county.
No. 3—Dalles district—All of township 1 north, range 13 east.
No. 4—Nansene district—All that portion of the county lying east of township line between townships 1 and 2 north, and 1, 2 and 3 south, range 13 and 14 east, and north of center of township 3 south, range 14 east, W. M.
No. 5—Dufur district—All of township 1 south, ranges 11, 12 and 13 east. All of township 2 south, ranges 11, 12 and 13 east, and north half of township 3 south, ranges 11, 12 and 13 east.
No. 6—Tygh district—All that portion of Wasco county lying west of Deschutes river and south of the center line of township 3 south ranges 12, 13 and 14 east.
No. 7—Antelope district—All that portion of Wasco county lying east of Deschutes river.
Jackson Engine Co. Elects Officers.
It has always been a noticeable fact that Jackson Engine Company is not wanting in enthusiasm, although among its members are many of the oldest firemen in town, and its meetings are never lacking in fire and vim. Last night's meeting was not an exception, and was well attended, the occasion being the election of officers.
A great deal of routine business was

transacted, and the members expressed themselves as being heartily in favor of the organization of the Police Patrol, and ready to assume their part of the new work. John Crate, who had been appointed an officer of the patrol, was removed on account of holding another office, and James Maloney selected in his stead. The election of officers resulted as follows: President, W. H. Butts; secretary, J. W. Fisher; treasurer, H. Clough; foreman, R. B. Sinnott; first asst., A. B. Estebenet; second asst., J. Studeckna; board of delegates—Chas. Lauter, J. J. Maloney and L. O. Hawn.
At the close of the meeting a number of the members repaired to Keller's and enjoyed an oyster supper.

REAPPORTIONMENT BILL A LAW

Registration Law Passes House—Rogge Lobby in Attendance.
STATE HOUSE, Salem, Feb. 8.—The reapportionment bill became a law yesterday by limitation.
Registration law passed the house. This provides a method of voting the straight party ticket by marking at the top.
The measure creating a new state board of equalization, consisting of the governor, secretary and treasurer, passed the senate today.
Senators will be banqueted tomorrow evening at the Hotel Willamette by President Taylor, presumably in the interest of the sugar bounty bill.
A hugh lobby in the interest of the insurance companies, building and loan associations, and dental board, is in attendance today.

PERSONAL MENTION.

Captain Wand, who accompanied the minstrel boys to Heppner, returned this afternoon.
Mrs. W. A. Johnston was among the visitors to Heppner, returning this afternoon.
Albert Wetter and Harry Hampshire returned on the afternoon train with the boys from Heppner.
Otis Patterson returned from Heppner this afternoon. Mrs. Patterson remaining to visit friends.
Mr. and Mrs. A. M. Walker are both reported quite ill at their home near Thompson's addition.
Miss Bess Isenberg, of Hood River, is among the teachers who are taking the examination for certificates.

All Honor Heppner.

The members of The Dalles Club Minstrels desire to state through the columns of THE CHRONICLE that their trip to Heppner, and reception and treatment at that place, was most genial and whole-souled, and bespeaks for that little city a citizenship of which any place can well be proud. The members of our local minstrels will ever remember the neat little city of Heppner for all this, and its overflowing spirit of fraternity. God bless them. Our experience of the past two days shall ever remain as one of the brightest spots in our existence.

Died of Consumption.

This morning about 5 o'clock, Joseph Medcalf, who for the past five years has suffered untold misery from that awful disease, consumption, passed away at his home on Second street, between Court and Union. Almost three years ago he came to this city from Vancouver in hopes that he might be benefited by the change, and has made his home with his mother, Mrs. M. A. Ewing.
Very little help was derived, and while at times he was able to be around, a good part of the time he was confined to his bed, his last severe spell being of three weeks duration.
Mr. Medcalf, who was about 34 years of age, was born in Missouri and graduated from the state university at Columbia, being admitted to the bar in that city. Coming to the Pacific coast, he practiced law in Vancouver in partnership with his brother. Later he was a partner of the son of Judge Deady in Portland. He is said to have been a very brilliant man in former years, and would have made his mark in life had not this wrecker of all ambitions overtaken him.
His brother who resides at Vancouver will arrive this evening, when arrangements will be made for the funeral which will take place tomorrow at 10 o'clock.
