IT IS SHAMELESS.
 Each and every day there is a roar in congress, that increase of the army is wanted to trample down liberty in the Philippine islands, or to suppress liberty at home. It is merely a partisan cry for the ears of the groundlings, and is discreditable both to the intelligence and to the patriotism of those who utter it. Our soldiers will not trample down liberty in the Philippine islands, but will establish it there; the few men that are required to perform ordinary duty about our coast fortifications, or to check mob outbreaks like those at Chicago and Sacramento in 1894, will not suppress liberty in the United States, but will render the service necessary to prevent it; for peace and order are the essential elements, and very ground work of liberty.

We have been carried by events into some distant undertakings, from which we cannot possibly retire with credit and safety. These undertakings can be supported only with land forces, to act in conjunction with those of the navy. But wherever our flag goes, it will be an emblem of liberty, not of oppression. Good patriots should not, indeed will not, misrepresent and malign their own country.

Of a total army of 100,000 men, perhaps 40,000 will be on duty in the United States. In comparison with the extent of the country, it will be so small a force that few of our people will ever see a soldier. The pretense that this army will endanger our liberties is an insult to the American people, of which only shameless politicians are capable. The idea that one soldier to every 2000 inhabitants could be used to overthrow the liberty and oppress a nation, composed of a people so vigorous and intelligent as Americans, with a government so democratic and so wholly in their own hands, disables patience. Every man who uses such an argument, as well as every man who pretends that our course in the Philippines, means enslavement of the people there, knows himself to be a cheap and pitiful creature, lying from partisan and demagogic instinct. 'Tis a pity so many of such are in congress.—Oregonian.

As a result of a recent settlement of government claims against the Pacific railroads, the treasury is to receive the magnificent sum of \$123,563,939.23. The debt caused by the United States loaning its credit to the Pacific railroad enterprises, and the accumulation of unpaid interest, aggregated such an enormous sum that conservative financiers believed the debt would never be paid in full. A proposition to settle the claims at 50 cents on the dollar was declined, as was also a refunding plan which would extend over a hundred years. It is highly creditable to the present administration that a settlement in full has been secured, which in the cases of the Central Pacific and Kansas Pacific is nearly nineteen millions in excess of what the reorganization committee originally agreed to bid for the two properties.

As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or is "just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it if "something else" is offered you. Snipes-Kinersly Drug Co.

Before the discovery of One Minute Cough Cure, ministers were greatly disturbed by coughing congregations. No excuse for it now. Snipes-Kinersly Drug Co.

\$200.00 Given Away.
 Separate Be-a-u-t-i-f-u-l-F-l-o-w-e-r-s and use the letters to form as many words as you can, using the letters backwards or forwards, but don't use any letter in the same word more times than it appears in "Beautiful Flowers." It is said forty small English words can be spelled correctly from these letters. For example—tea, feet, at, etc. The Hamil Seed Company will pay Two Hundred Dollars in cash to the person sending them forty words formed as above. If you are good at word-making and can form forty words write your name and address plainly on your list and inclose the same with fifteen two-cent stamps for ten packets of Beautiful Seeds of ten popular and different varieties.

Our object in giving this Two Hundred Dollars is to attract attention to and introduce our seeds in the U. S. This offer will be carefully and conscientiously carried out and it should not be classed with catch-penny affairs. We will spend a large amount of money to start our trade and want your trial order; you will receive the greatest value in seeds ever offered. If two or more persons succeed in forming forty words the \$200 will be divided pro-rata. Many extra special prizes of value will be awarded to persons sending twenty-five words or more who will assist in introducing our seeds and specialties. Satisfaction is absolutely guaranteed or money refunded for the asking. Send your list as early as possible. Address Hamil Seed Co., 955 Warren Ave., Chicago, Ill.

To the Public.
 We are authorized to guarantee every bottle of Chamberlain's Cough Remedy and if not satisfactory to refund the money to the purchaser. There is no better medicine made for La Grippe, colds or whooping cough. Price 25 and 50 cents per bottle. Try it. Biakley & Houghton, druggists.
