### OUR LOSSES AT MANILA.

James Creelman cables from Manila that he has seen Filipino women and children in the trenches, with rifles in their hands. This is a shocking and pathetic state of affairs, and will serve as a text for additional torrents of opposition rhetoric in the senate and the house. Senators and representatives who led in fiery demands last summer for immediate war with Spain, and who then denounced the president because his prophetic foresight warned him that war would bring in its train consequences and grave responsibilities which no one could foresee, are now protesting against the acceptance of the grave responsibilities which have been forced upon the United States in the Philippines. They were hot for war; they are hot for peace.

In their tender solicitude for the Filipinos, some of these weather-vane senators and representatives quite overlook the tragic truth that the misguided natives are shooting down our own countrymen. Their voices are full of tears for the savage bowmen whom Aguinaldo hurled against the American forces, but have no quaver for the gallant boys who have gone out from our own firesides and fallen in defense of the flag.

It is indeed sad that deceived and misguided Filipinos have fallen before our arms; but what of our own noble dead and suffering wounded? Eighty sons of the west are covered by island soil, and 340 bear the pain of wounds inflicted by a deluded people. And of these 80 corpses, one-half sprang to the defense of the flag from the plains and the mountains of Washington and her sister states, Idaho and Montana. More than one-third of the total dead were from this single state of Washington—14 from our volunteers, and 14 more from the splendid Fourteenth regiment from Vancouver. Nearly 100 of the wounded are from this state—56 from our volunteers, and 35 from the Fourteenth regulars. One-half the wounded are from Washington, Idaho and Montana.

It is shameful that American senators and representatives should bubble and blubber over savage losses, and have never a teardrop and never a word of tender grief for the American homes which have given their sons to the defense of the starry banner.

Out here in the golden West we are grieved by the thought that native women and children should be found in the enemy's trenches; but we have a deeper grief for our own sacred dead.—Spokesman Review.

Senator Jones says the Democratic platform of 1900 will contain a free silver plank. Bryan has several times recently said the same thing. The probability, suicidal as this course would be, is that Jones and Bryan are correct in their prognostications. Six months or a year ago the Republicans would not have believed that the Democrats would be insane enough to tempt fate with the silver lunacy again, but the indications now are that they will do this very thing. Apparently they will be forced to this course by the necessity of keeping at least a small fragment of their party intact as a nucleus for the future. Anti-expansion, as all the shrewd Bryanites now begin to realize, would destroy their party, and as they have no other issue except free silver, they will be forced to fall back on that folly again. That makes the outlook extremely bright for the Republicans in 1900. The contest will scarcely be lively enough to be interesting. Who can be enthused by the chestnuts of the 1896 campaign?

### How to Prevent Pneumonia.

You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. For sale by Blakeley & Houghton, druggists.

### A Beautiful Skin.

Ladies, if you desire a transparent, clear and fresh complexion use Dr. Bourdon's French Arsenic Complexion Waters. Their effect is simply magical, possessing the wizard touch in producing and preserving a beautiful transparency and pellucid clearness of complexion, shapely contour of form, brilliant eyes, soft and smooth skin where the reverse exists. Even the coarsest and most repulsive skin, marred by freckles, moth, blackheads, pimples, vulgar redness, yellow and muddy skin are permanently removed, and a deliciously clear and refined complexion assured.

Price per small box, 50 cents; large box, \$1. or six large boxes, \$5. Sent to any address post paid and under plain wrapper upon receipt of the above amount. Write for free circular.
