

## AMERICANS WILL TAKE AGGRESSIVE

Active Campaign Against the Filipinos Will Be Begun.

## AMERICANS ABOUT TO ADVANCE

The Second Oregon Made a Part of General Wheaton's Brigade, Seventeenth Regulars Released Them.

MANILA, March 12—11:30 a. m.—In all probability the current week will see the beginning of an active campaign on a scale hitherto unknown in the Filipinos. For the last few days there has been unusual activity at headquarters, and there is every indication of a complete reorganization of the entire corps in the near future.

Since the arrival of the American reinforcements several changes have been made, the most important being the appointment of a divisional brigade under General Wheaton, consisting of the Twentieth and Twenty-second regiments of infantry, eight companies of the Washington and seven companies of the Oregon volunteers, three mounted troops of cavalry and a battalion of light artillery.

All the troops have disembarked. A battalion of the Fourth regular infantry is already on the firing line, assigned to General McArthur's division. The others have been held in reserve, and are encamped on the Luneta parade ground.

A battalion of the Seventeenth regulars have been assigned to protect guard, relieving the Oregon volunteers.

During a rainstorm which occurred before daylight this morning the rebels on the extreme left fired several volleys at the Americans, but without effect. Otherwise everything is quite.

MANILA, March 11—3:15 p. m.—At daylight the rebels were caught enfilading the entrenchments at Calocan, and were shelled by a battery. Desultory firing also took place at San Pedro Macati. The United States cruiser Charleston has relieved the armed transport Buffalo of Paranaque.

The last batch of Spanish soldiers, numbering 885 men, excepting a few, who are in the hospital, were embarked on the transport Buenos Ayers today.

## HEART DISEASE.

SOME FACTS REGARDING THE RAPID INCREASE OF HEART TROUBLE.

Do Not Be Alarmed, But Look For the Cause.

Heart troubles, at least among the Americans, are certainly increasing, and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion.

Real organic disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by the same great nerves, the Sympathetic and Pneumogastric.

In another way, also the heart is affected by the form of poor digestion, which causes gas fermentation from

half digested food. There is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digestion also poisons the blood, making it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores, and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized package of these tablets sold by druggists at 50 cents. Little book on stomach troubles mailed free, Address F. A. Stuart, Co., Marshall, Mich.

### Not the Place for Officers' Families.

WASHINGTON, March 11.—The war department today issued the following cablegram from General Otis:

"Manila is not the place for officers' families; the great difficulty experienced in caring for those now here, and their safety, is one of the chief causes of anxiety. Officers' families should remain in the United States."

Under such conditions the secretary of war regrets that no more families of officers or enlisted men will be permitted to accompany the troops. The families of officers, for which quarters are legally provided, will be permitted to retain their quarters at posts from which the troops depart.

### Must Make Choice of Two Evils.

PEKING, March 11.—The Italian minister here, Signor Martine, addressed a note to the Chinese foreign office yesterday evening, requesting it to give back the Italian dispatch asking for a concession, and notifying the foreign office to accept the latter request as a demand, adding that he was willing to enter into friendly negotiations as to the details, but insisting upon an answer within four days.

The note was couched in courteous terms, but the Chinese regard it in the nature of an ultimatum, to which they will probably yield.

### Congressman Greene, of Nebraska Dead.

OMAHA, March 11.—Congressman W. L. Greene, of the sixth Nebraska district, died suddenly of heart failure in the Burlington station in this city at 7 o'clock.

Mr. Greene arrived this morning from Washington, and spent the day with friends in the city. At 7:45 p. m., he left his hotel for the train in company with three friends. On arriving at the depot he was found to be in an unconscious condition, and was taken to the station, where he soon expired.

### How to Prevent Pneumonia.

You are perhaps aware that pneumonia always results from a cold or from an attack of La Grippe. During the epidemic of La Grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or La Grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and La Grippe. Every bottle warranted. ARLINGTON, Or., March 11.—The proposition to bond the city was carried today by an almost unanimous vote. Only eight votes were cast in the negative.

## GOMEZ WAS IMPEACHED

The Cuban Military Assembly's Action Regarding Him.

## WARRIOR REBUKED IN PUBLIC

Money Sent From New York to Pay the Island Troops Who Fought for Independence.

HAVANA, Cuba, March 11.—The Cuban military assembly, in public session this afternoon, impeached General Maximo Gomez and removed him from his command as general-in-chief of the Cuban army, the first ballot resulting in twenty-six votes being cast in support of the motion to impeach and remove General Gomez, against four in opposition. The original motion provided for the abolition of the grade of general-in-chief, but an amendment was offered to this by Senor Aguerro, which read:

"To abolish the grade of general-in-chief, and remove General Gomez, for failure in his military duties and disobedience to the assembly."

Much passion was evident in the speeches, in some of which Gomez was declared to have been delinquent in his duties and disobedient, because he had accepted the proposition of Robert P. Porter, President McKinley's special emissary, without consulting the assembly; because he had taken upon himself arrangements for the payment and disarming of Cuban troops, independent of the assembly, and because he had declared to the assembly that he would observe its rulings in so far as he could see them beneficial to Cuba. The assembly then declared that \$3,000,000 is sufficient, and that it has not yet accepted the proposition. The discussion of this question will soon be taken up, now that General Gomez has been removed.

### Money For Cubans.

NEW YORK, March 11.—The United States transport Meade sailed today for Havana. She has on board \$3,000,000 provided by the United States government to pay Cuban troops.

Much interest is centered in the removal of the treasure from the sub-treasury. A large crowd watched the proceedings. Captain Littel, of the quartermasters department, had charge of the detachments of soldiers. There were about fifty men, each with a Krag-Jorgensen rifle and a full belt of cartridges. They formed in line at the treasury building, and the boxes and safes of coin were passed out between them. The money was put on trucks, and eight men got on each truck to guard the treasure en route to the steamer.

### Be Fooled the Surgeons.

All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the World. 25 cents a box.
