

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants.

NOTICE. To whom it may concern: By virtue of an order, made by the Common Council of Dalles City, Oregon, on the 7th day of March, A. D. 1899, notice is hereby given that the Common Council aforesaid will cause to be constructed, in accordance with the laws pertaining thereto, a sewer system in and for said city.

That all of said sewers are to be of terra cotta pipe and of such sizes as may be hereafter determined by said Council.

First—A main sewer, commencing from the low water mark on the Columbia river at the foot of Union street, thence running south on Union street to the intersection of the alley between Fourth and Fifth streets with Union street, thence south on Union street to the intersection of Taylor and Union streets.

Second—A main sewer, commencing at and connected with the sewer at the intersection of the alley between Fourth and Fifth streets with Union street, thence running easterly, through private property in block 10, thence easterly through the alley between Fourth and Fifth streets to Washington street, thence south on Washington street to Fulton street.

Third—A sewer commencing at and connected with the sewer at the intersection of the alley between First and Second streets with Union street, thence running easterly on said alley to Laughlin street, thence south on Laughlin street to Fourth street.

Fourth—A sewer commencing at and connected with the sewer at the intersection of the alley between First and Second streets with Union street, thence running easterly through said alley to Jefferson street, thence north on Jefferson street about 100 feet, thence easterly to a point in the middle of Taylor street about 130 feet north of the north side of the intersection of Taylor and Union streets.

Fifth—A sewer commencing at the intersection of the alley between Second and Third streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Sixth—A sewer commencing at and connected with the sewer at the intersection of the alley between Second and Third streets with Laughlin street, thence easterly through said alley to Madison street, thence southerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Seventh—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Eighth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Ninth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Tenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Eleventh—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twelfth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Thirteenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Fourteenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Fifteenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Sixteenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Seventeenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Eighteenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Nineteenth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twentieth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-first—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-second—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-third—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-fourth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-fifth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-sixth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-seventh—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-eighth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Twenty-ninth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Thirtieth—A sewer commencing at and connected with the sewer at the intersection of the alley between Third and Fourth streets with Taylor street, thence westerly on said alley to Madison street, thence westerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

That Throbbing Headache Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches.

They make pure blood and strong nerves and build up your health. Easy to take. Try them. Only 25 cents. Money back if not cured. Sold by Blakeley & Houghton, druggists.

Wood—Wood—Wood. Leave your orders, or phone to No. 4 for dry fir wood.

McHill-lw MAIER & BESTON'S.

Before the discovery of One Minute Cough Cure, ministers were greatly disturbed by coughing congregations. No excuse for it now. Snipes-Kinersly Drug Co.
