

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. WATER COMMISSIONERS MEET.

Salaries Reduced—Other Business of General Character.

The water commission met at the recorder's office last evening, at 8 o'clock, with the following present: Randall, Bolton, Crossen, Fish, Phirman and Seufert, with Mr. Seufert, president of the board, presiding.

Seufert, of the committee heretofore appointed to obtain re-rating of insurance in the city on account of the extra facilities for preventing fire, reported adversely.

Ordered that A. Keller be charged \$4 per month for extra supply of water to run a new motor just put in.

On the application of A. Buchler for water for use in his brewery, it was ordered that a rent of \$150 a year be charged for the same.

The commissioners decided that the price of water for running the various electric fans in the city be advanced from \$1.25 to \$2.00 per month.

To avoid further annoyance to the commission regarding the supply of water in tenement houses, it was ordered that where more than one family occupies the same building, separate pipes be placed in each apartment, thus making it possible to turn off the supply of one tenant without molesting that of the others.

It was agreed to supply Odd Fellows cemetery with water at the rate of \$35 a year. A larger supply pipe is being placed in the cemetery at present.

J. B. Crossen was appointed as superintendent of the water works, the salary being reduced from \$75 to \$60 a month. The salary of the helper, C. A. Borders, was also reduced from \$65 to \$60.

The superintendent's report was read and showed that the total bank account for February amounted to \$1,474.65.

Total amount collected 1,235.40 Delinquent 239.25
