

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

A Play On Words.

It appears that one idle day the frog, the duck, the lamb and the skunk started forth together to visit the show. Just what sort of show it was the chronicler doesn't state. Anyway, it was something that the queerly assorted quartet was anxious to attend, and they bopped and waddled, and gambled, and trotted toward the big canvas enclosure with delightful throbs of anticipation.

Finally, they reached the door tender, the frog leading the line. Well, the frog had a greenback and passed right in. The duck had a bill and followed the frog.

The lamb had four quarters and followed the frog and the duck. But the unfortunate skunk was left on the outside. He had only a scent. Naturally, he turned away feeling pretty blue.

As he was slowly going back over the hill he met a hoop snake rolling along at a lively rate toward the show. The skunk greeted him, but the snake did not stop.

"Don't interrupt me," he cried, over his shoulder. "I've got to do a turn and I'm a little late."

And he rolled along. At the top of the hill the skunk noticed another old friend approaching. It was the sardine.

"Hello!" cried the sardine; "What's the matter?" So the skunk told him. "I can guess how you feel about it," said the sardine, sympathetically. "I belong to the smelt family myself. But,

VOGT Opera House

One Night Only, **Monday** April 10th.

Engagement Extrordinary!

The most brilliant social and dramatic event of the season. The foremost of America's Comedienne.

Miss Clara Thropp,

supported by Frederick Montague and a carefully selected company, the same as made its recent memorable success recently at the Marquand Grand, Portland, presenting Henrik Ibsen's dramatic masterpiece.

A Doll's House

as played by Miss Thropp 600 nights at the Duke of York's Theatre, London. Followed by the one act farcical gem.

THE TRUANT SPOUSE

NOTE: Each lady attending will be presented with a souvenir leaflet of Rudyard Kipling's poems.

Prices - - 50c, 75c, \$1.00.

say, old fellow, you come right back and go in with me—I've got a box."

And the skunk and the sardine went back together.—Cleveland Plain Dealer.

What's the matter with the deer getting in because he had the doe?

TELLS YOUR FUTURE.

Don't fail to see the gifted lady. Now at Mrs. Richmond's lodging house, Room 16. *Next to the Diamond Mills. Apl4-1w

The policy of the Ladies' Home Journal, in its religious department, seems to be always to engage the pen of the man most immediately prominent in the eyes of the religious world. Thus it has had the services of Mr. Beecher, Doctor Talmage, Doctor Parkhurst, Ian MacLaren, and now it will have those of Dr. Newell Dwight Hillis, the new pastor of Plymouth church, in Brooklyn. Doctor Hillis has given the Journal a series of articles upon which he had been working for over a year previous to his Eastern call, and the first of these articles will be published in the next issue of the magazine. The series is all connected in thought, and presents the general subject of "The Secrets of a Happy Life."

When Traveling

NOTICE.

To whom it may concern: By virtue of an order made by the Common Council of Dalles City, Oregon, on the 7th day of March, A. D. 1899, notice is hereby given that the following sewers, as aforesaid will cause to be constructed in accordance with the laws pertaining thereto, a sewer system in and for said city, the nature, extent and location of said system is hereinafter set forth; and the cost thereof will be charged to the property benefited thereby.

That all of said sewers are to be of terra cotta pipe and of such sizes as may be hereafter determined by said Council.

First—A main sewer, commencing from the low water mark on the Columbia river at the foot of Union street, thence running south on Union street to the intersection of the alley between Fourth and Fifth streets with Union street, thence south on Union street to the intersection of Tenth and Union streets.

Second—A main sewer, commencing at and connected with the sewer at the intersection of the alley between Fourth and Fifth streets with Union street, thence running easterly, through private property in block 10, thence easterly through the alley between Fourth and Fifth streets to Washington street, thence south on Washington street to Fulton street.

Third—A sewer commencing at and connected with the sewer at the intersection of the alley between First and Second streets with Union street, thence running easterly on said alley to Jefferson street, thence north on Jefferson street about 100 feet, thence easterly to a point in the middle of Taylor street about 125 feet north of the north side of the intersection of Taylor and Second streets.

Fourth—A sewer commencing at and connected with the sewer at the intersection of the alley between First and Second streets with Union street, thence running easterly through said alley to Jefferson street, thence north on Jefferson street about 100 feet, thence easterly to a point in the middle of Taylor street about 125 feet north of the north side of the intersection of Taylor and Second streets.

Fifth—A sewer commencing at the intersection of the alley between Second and Third streets with Taylor street, thence westerly on said alley to Monroe street, thence north to connect with sewer in alley between First and Second streets.

Sixth—A sewer commencing at and connected with sewer on Laughlin street at the intersection of the alley between Second and Third streets with Laughlin street, thence southerly on said alley to Madison street, thence southerly on Madison street to the intersection of Third and Madison streets, thence easterly on Third street to the intersection of Third and Monroe streets.

Seventh—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Third and Fourth streets with Laughlin street, thence running easterly to Madison street.

Eighth—A sewer commencing at and connected with sewer on Laughlin street at the intersection of Fourth and Laughlin streets, thence running easterly on Fourth street to Jefferson street.

Ninth—A sewer commencing at and connected with sewer on Laughlin street at the intersection of Fourth and Laughlin streets, thence easterly to Washington street.

Tenth—A sewer commencing at and connected with sewer on Laughlin street at the intersection of the alley between Third and Fourth streets with Laughlin street, thence westerly to Washington street.

Eleventh—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Second and Third streets with Union street, thence running easterly along said alley to the intersection of said alley with Washington street.

Twelfth—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Second and Third streets with Union street, thence running easterly along said alley to the intersection of said alley with Washington street.

Thirteenth—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Third and Fourth streets with Union street, thence easterly through said alley to the intersection of said alley with Washington street.

Fourteenth—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Fifth and Sixth streets with Union street, thence easterly through said alley to the intersection of said alley with Washington street.

Fifteenth—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Fifth and Sixth streets with Union street, thence easterly through said alley to the intersection of said alley with Washington street.

Sixteenth—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Third and Fourth streets with Union street, thence easterly through said alley to the intersection of said alley with Liberty street.

Seventeenth—A sewer commencing at and connected with sewer on Liberty street at the intersection of the alley between Second and Third streets with Liberty street, thence running westerly through said alley to the west end of said alley.

Eighteenth—A sewer commencing at and connected with sewer on Union street at the intersection of the alley between Third and Fourth streets, thence running westerly through said alley to the intersection of said alley with Liberty street.

Nineteenth—A sewer commencing at and connected with sewer on Liberty street at the intersection of the alley between Third and Fourth streets with Liberty street, thence running easterly through said alley to the intersection of said alley with Union street.

Twentieth—A sewer commencing at and connected with sewer on Liberty street at the intersection of the alley between Third and Fourth streets with Liberty street, thence running easterly through said alley to the intersection of said alley with Union street.

Twenty-first—A sewer commencing at and connected with sewer on Liberty street at the intersection of the alley between Third and Fourth streets with Liberty street, thence running easterly through said alley to the intersection of said alley with Union street.

Twenty-second—A sewer commencing at and connected with sewer in alley between Second and Third streets at the intersection of Pentland street with said alley, thence running south on said street to Third street, thence west on Third street to the intersection of Third and Fourth streets.

Twenty-third—A sewer commencing at and connected with sewer at the intersection of Third and Pentland streets, thence running easterly on Third street to the intersection of Third and Lincoln streets.

Twenty-fourth—A sewer commencing at and connected with sewer at the intersection of Fourth and Lincoln streets, thence running westerly along Fourth street to the intersection of Third and Fourth streets.

Twenty-fifth—A sewer commencing at and connected with sewer running on Third street at the intersection of Third and Fourth streets, thence running westerly 75 feet more or less north of the road leading to the Mill creek bridge, to said Mill creek bridge.

Dated at Dalles City, Oregon, this 10th day of March, 1899. S. H. GATES, Recorder of Dalles City.
