GOVERNOR GEER'S LOYAL MESSAGE

Oregon Says, "No Surrender in the Philippines."

CONFLICT IS FOR LIBERTY

Stinging Rebuke to Those Who Are Aiming to Thwart McKinley's Policy.

SALEM, Or., April 14.—Governor Geer this morning received the following telegram from the Chicago Tribune:

"The governors of South Dakota and Nebraska are demanding the recall of the volunteers from their states from the Philippines, on the ground that their term of enlistment expired when the ratifications of the peace treaty were exchanged, and that the present conflict in the Philippines is in opposition to liberty and in the interest of capitalism. Do the people of your state demand the return of your volunteers for the same reasons?"

Tonight the governor telegraphed the following reply:

"There is quite a general wish among the people of Oregon that the volunteer soldiers of the state may soon be returned from Manila, but not for the reason indicated by the governors of the states you mention, to-wit., that 'the present conflict in the Philippines is in opposition to liberty and in the interest of capitalism.'"

"There is some justice in asking for the return of the volunteers, now that the war with Spain, for which they enlisted, has been honorably concluded, and that the spasmodic difficulty yet lingering in the Philippines should be suppressed by the regular army of the United States, which is amply equipped for the purpose. It is believed, however, that this wish is confined to those of us who are at home, as the Oregon boys at the front quite generally express a desire to remain there until the difficulty is settled.

"Our people take no stock in the declaration that the conflict in the Philippines is 'waged in opposition to liberty and in the interest of capitalism.' The very men who make this charge now are the ones who, little more than a year ago, were loudly accusing President McKinley of 'cowardice' and of delaying the war with Spain in the 'interest of capitalism,' as represented by Spanish bondholders.

"The seizing of the Philippines was an incident of that war wholly unforeseen by anybody, applauded by every patriotic citizen at the time, and they could not now be relinquished without a taint on our national honor and a confession of national weakness.

"The charge that the American flag is waging over a conflict in the Philippines 'in opposition to liberty and in the interest of capitalism' savors very much of a spirit of demagoguery to which the people of Oregon are habitual strangers, and which finds no lodgment in their minds at this time. T. T. GEER, Governor."

Clearwater Tuesday. He owned a fine farm seventy-five miles above Lewiston, on the Clearwater, and while on the way to that place on foot he was caught in a snowslide which carried him into the river. He was expected at his place on Tuesday last, and on Thursday a messenger started down the river in search of him. His tracks were found leading to the track of the snowslide, and they never left the slide. There can be no doubt about his fate. He passed the home of a friend on Tuesday, and would have reached his farm on that day if he had not been caught in the avalanche. He leaves a sister in this city.

INTENSE SUFFERING

FROM DYSPEPSIA AND STOMACH TROUBLE

Instantly Relieved and Permanently Cured by Stuart's Dyspepsia Tablets.

A New Discovery, But Not a Patent Medicine.

Dr. Redwell relates an interesting account of what he considers a remarkable cure of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Stuart's Dyspepsia Tablets.

He says: "The patient was a man who had suffered to my knowledge, for years with dyspepsia. Everything he ate seemed to sour and create gases in the stomach; he had pains like rheumatism in the back, shoulder blades and limbs, fullness and distress after eating, poor appetite and loss of flesh; the heart became affected, causing palpitation and sleeplessness at night.

"I gave him powerful nerve tonics and blood remedies, but to no purpose. As an experiment I finally bought a fifty cent package of Stuart's Dyspepsia Tablets at a drug store and gave them to him. Almost immediately relief was given and after he had used four boxes he was to all appearance, fully cured.

"There was no more acidity or sour watery risings, no bloating after meals, the appetite was vigorous and he has gained between 10 and 12 pounds in weight of solid, healthy flesh.

"Although Stuart's Dyspepsia Tablets are advertised and sold in drug stores, yet I consider them a most valuable addition to any physician's line of remedies, as they are perfectly harmless and can be given to children or invalids or in any condition of the stomach with perfect safety, being harmless and containing nothing but fruit and vegetable essences, pure pepsin and Golden Seal.

"Without any question they are the safest, most effective cure for indigestion, biliousness, constipation and all derangements of the stomach, however slight or severe."

Stuart's Dyspepsia Tablets are made by the F. A. Stuart Co., of Marshall, Mich., and are sold by druggists everywhere at fifty cents per package.

The Best in the World.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by Blakeley & Houghton Druggists.

RUBY CITY WIPED OUT

Was Once the Metropolis of Okanogan County.

COULEE CITY, Wash., April 15.—The driver of the Coulee City & Brewster stage line reports that last Tuesday the town of Ruby City, in Okanogan county, was entirely wiped out by fire, except a livery stable. The fire is thought to have originated by some persons who were under the influence of liquor carelessly handling matches. The old brewery building, saloon and four dwelling houses were burned; loss \$3000.

Ruby City was the first town of any importance in Okanogan county, and was once county seat. At one time 3000 people lived there. They were supported by the rich silver mines. Lack of transportation and the drop in the price of silver depopulated the town.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D.: "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God, I am saved and now a well and healthy woman." Trial bottles free at Blakeley & Houghton's drug store. Regular size 50c and \$1. Guaranteed or price refunded.

TRAP SET FOR AGUINALDO

Troops Will Be Sent to the North by Sea.

REBELS ARE CRUSHED

Campaign Will Not Stop on Account of Rain—Exterminating the Bandits.

MANILA, April 15.—The Americans plan to trap Aguinaldo by sending troops via the sea route to the north of him. Then he will be between two lines of Americans, and it may result in his capture.

General Otis declares he has crushed the rebel army and Aguinaldo's so-called government. He adds that the Americans are not going to stop on account of rainy weather, but will make an active campaign, cutting the rebel forces in two at Manila and trapping Aguinaldo to the north. He thinks the chief problem is now to exterminate the brigands and bandits who infest the island in immense bands of great strength and daring.

The condition of Spanish prisoners is terrible. They are weak, emaciated, starved, beaten cruelly and ordered about by bayonets. United effort has been made by merchants of all nationalities to have the Spaniards set free by Aguinaldo. The petition is to be delivered at once. However, Otis thinks it will be some time before Luzon is pacified.

Remarkable Cure for Rheumatism.

KENNA, Jackson Co., W. Va.
About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddock insisted on my using Chamberlain's Pain Balm. I purchased a fifty-cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A.
