BLOWN UP BY STRIKERS

The Bunker Hill and Sullivan Mill Blown Up at Wardner.

ONE DEAD AN- OTHER WOUNDED

Property Worth \$250,000 to \$300,000 Shattered—Train Seized by a Mob of 800 or 1000.

SPokane, April 29.—A Wardner special to the Spokeman-Review says:

Wardner today has been the scene of the worst riots since the deadly labor war of 1892. One man is dead, another is thought to be mortally wounded, and property valued at \$250,000 has been destroyed by giant powder and fire. The damage was done by union men and sympathizers from Canyon creek, about 20 miles from Wardner.

This morning a mob of from 800 to 1000 men, all of them armed and many of them masked, seized a train at Burke, at the head of Canyon creek. There were nine box cars and a passenger coach, and they were black with the mob. The visitors brought with them 3000 pounds of giant powder.

After a parley of two hours, 140 masked men, armed with winchesters, Burke in the lead and Wardner following, started with yells for the Bunker Hill & Sullivan mill and other buildings, a third of a mile from the depot. They sent pickets ahead, and one of these pickets fired a shot as a signal that the mill was abandoned. This was misunderstood by the main body of the mob, who imagined that non-union miners in the mills had opened fire on them, and they began firing on their own pickets. About 1000 shots were thus exchanged between the rioters and their pickets, and Jack Smith, one of the pickets, formerly of British Columbia, and a noted figure in drill contests, was shot dead. The fatal error was discovered after a few seconds' firing and Smith's body brought down from the hillside.

By this time the strikers had taken possession of the Bunker Hill & Sullivan mill, which they found deserted, the manager having directed his employees not to risk their lives battling with the mob.

Powder was called for, and 60 50-pound boxes were carried from the depot to the mill. The heaviest charge was placed among the machinery of the mill. Another charge was placed under the brick office building. Other charges were placed around the mill. Then the boarding-house, a frame structure, was fired. Fuses leading to the charges were lighted, and the strikers carrying the dead body of the picket, retired to a safe distance.

At 2:36 p. m. the first blast went off. It shook the ground for miles, and buildings in Wardner, two miles away, trembled. At intervals of about thirty seconds four other charges went off, the fifth being the largest and completely demolishing the mill. The loss to the Bunker Hill & Sullivan Company is estimated from \$250,000 to \$300,000.

In a few minutes the strikers went back to the station, the whistle was blown for stragglers, the mob soon climbed aboard and at 3 o'clock, just three hours after its arrival, the train pulled out for Canyon creek.

During the fusillade from the guns of the mob, Jim Chayne, a Bunker Hill & Sullivan millman, was severely shot through the hips. It is reported that he was carried off by the strikers, and his wound is probably fatal. J. J. Rogers, a stenographer in the employ of the company, was shot through the lip, but his wound as trivial.

CATARRH OF THE STOMACH

A Pleasant, Simple, Safe but Effectual Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable.

The usual symptoms are a full or bloated sensation after eating, accompanied some times with sour or watery risings, a formation of gases, causing pressure on the lungs and heart and difficult breathing; headache, fickle appetite, nervousness and a general played out and languid feeling.

There is often a foul taste in the mouth, coated tongue, and if the interior of stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate disease is found in a treatment which causes the food to be readily and thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach.

To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanston the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids.

These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and, not being a patent medicine, can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher, of 2710 Dearborn St., Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom, passing back into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me three years for catarrh of the stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of the stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for book, mailed free, on stomach troubles, by addressing the F. A. Stuart Co., Marshall, Mich. The tablets can be found at all drug stores.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest teets, but her vital organs were undetermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at Blakeley & Houghton's Drug Store.

Regular size 50c and \$1.00. Every bottle guaranteed.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for con-

sumption, coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on Blakeley & Houghton, druggists, and get a free trial bottle. Regular size, 50 cents and \$1. Every bottle guaranteed or price refunded. 3

Mrs. George Will Lecture.

CANTON, O., April 20.—Mrs. George said today, as to her future plans:

"I will lecture on woman's rights. I believe women ought to vote, and that a jury ought to be half women. I think a woman has just as much right to make something out of herself as a man."

Mrs. George has had several propositions from theatrical managers, but refuses to consider them. Several offers of marriage have been sent her, but they are all ignored.

The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the inflection is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain and this quick relief which it affords is alone worth many times its cost. For sale by Blakeley & Houghton.

Elegant new Pullman palace sleepers between Portland and Chicago have just been placed in service via the O. R. & N., Oregon Short Line, Union Pacific and Chicago & Northwestern railways daily every day in the year. Cars are of the very latest pattern, in fact being the most improved up-to-date sleeping cars turned out by the Pullman Company. These new palaces will leave Portland on the evening fast train of the O. R. & N. arriving at Chicago the morning of the fourth day and running through without change via Granger and Omaha. 19t

CONFERENCE ENDS WITHOUT RESULT

Envoy Stuck to the Proposition Made Before.

DECLINES TO GRANT ARMISTICE

Full Amnesty Was Promised the Rebels Upon Surrender, but They Declared They Wanted a Guarantee of Good Faith.

MANILA, April 29.—3 p. m.—The conference today between Otis and Colonel Manuel Aguelez and Lieutenant Jose Bernal, who came from General Luna under a flag of truce yesterday to ask for a cessation of hostilities, were fruitless. It is understood the Filipino commissioners were given the terms upon which the Americans will consent to negotiate. The Filipinos admit they have been defeated, and it is expected will return with fresh proposals from General Luna.

WASHINGTON, April 29.—The following dispatch was received this morning from Otis:

"Manila, April 29.—The conference with insurgent representatives terminated this morning. Their request was for a cessation of hostilities of three weeks to enable them to call their congress to decide whether to continue the prosecution of the war or prepare terms of peace. The proposition was declined and full amnesty promised on surrender. It is believed the insurgents are tired of war, but seek to secure terms of peace through what they denominate their representative congress. OTIS."

The Dalles, Or., April 25, 1899.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. LYON, Dorr, W. Va. This remedy is sold by Blakeley & Houghton.

An Epidemic of Whooping Cough.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure.—JONAS E. CLIFFORD, Proprietor Norwood House, Norwood, N. Y. This remedy is for sale by Blakeley & Houghton, druggists.
