

An Excellent Combination.

An Excellent Combination. The pleasant method and beneficial effects of the well known remedy, SYBUP OF FIOS, manufactured by the CALIFORNIA FIG SYRUP CO. illustrate the value of obtaining the liquid Inxa-tive principles of plants known to be medicinally laxative and presenting taste and acceptable to the system. It is the one perfect strengthening laxa-tive, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation per-manently. Its perfect freedom from every objectionable quality and sub-stance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP Co. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package. CALIFORNIA FIG SYRUP CO.
