TROOPS MOVING TO THE FRONT

Two Battalions From Manila Will Reinforce MacArthur's and One Lawton's Division.

REPLACED BY 21ST INFANTRY

Captain Grant, of the Utah Battery, Called the Dewey of the Army—The Nebraska Regiment Makes a Strong Appeal for a Temporary Respite From Duty at the Front.

MANILA, May 12.—4:50 p. m.—Fresh troops are beginning to go to the front. Two battalions of the Seventeenth infantry (regulars), that had been holding the lines about the city of Manila, will join General MacArthur's division at San Fernando tomorrow, and one battalion of the same regiment will reinforce General Lawton's division near Bacolor. These troops will be replaced by the Twenty-first infantry regiment, which arrived from the United States on the transport Hancock yesterday.

Captain Grant, of the Utah battery, whose success in managing the army gunboats Laguna de Bay and Cavadonga has won him the sobriquet of "the Dewey of the army," has been put in command of the recently purchased Spanish gunboats, whose arms the insurgents captured. These vessels are now being prepared for operations on the rivers and along the coast. The arming of the gunboats is being pushed with all diligence.

Nebraska Regiment's Memorial.

MANILA, May 12 (via Hong Kong).—The First regiment of Nebraska volunteer infantry is taking the usual step of respectfully petitioning the division commander, General MacArthur, to temporarily relieve them from duty at the front. The regiment is badly exhausted by the campaign, in which it has taken an active part, and not many more than 300 men of the organization are at present fit for duty. On Sunday last 160 men of this regiment responded to the sick call. The men, in view of the facts, have prepared a respectful memorial to MacArthur, asking that their regiment be withdrawn for a short time from the fighting line in order that they may recuperate. The memorial states that the men are willing to fight, but are in no condition to do so, owing to the strain of long marching, continual fighting and outpost duty, in which they have been engaged. The memorial adds that since February 2, the regiment has lost 225 men in killed and wounded.

DEWEY WILL COME AT ONCE

Notice Posted by the Navy Department Shows that the Hero Will Soon Sail.

WASHINGTON, May 12.—"Send Olympia mail to B. F. Stevens, No. 4 Trafalgar Square, London, England," was the notice given out at the navy department today.

This is the first formal indication that the famous flagship is coming home immediately. Upon inquiry it was ascertained that Secretary Long last evening cable Admiral Dewey permission to return at once to the United States. He has been relieved of the obligation of remaining at Manila until the Philippines commission completes its work. He is not even required to await the cessation of hostilities, but may start homeward

at once. The notice posted at the navy department amounts to the information that the Olympia will not remain long enough to receive the outward mail. The Mr. Stevens referred to is the navy department's agent at London to distribute all of the mail for United States warships of European waters, so he will see it that the Olympia receives her's as soon as she passes the Suez canal.

It is estimated at the navy department that Dewey will reach the United States in time for a national demonstration on the Fourth of July next. The Olympia will not come under full steam, but nevertheless she should make the run to New York in about fifty-five days. That she is to come to New York is almost certain.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at Blakeley & Houghton's Drug Store. Regular size 50c and \$1.00. Every bottle guaranteed.

Bright Prospects in Grant.

LONG CREEK, May 11.—During the past three weeks heavy rains have fallen, and the spring range has turned out much better than was predicted by stockmen a month ago. As a consequence stock of all kinds are doing well. Cattle-owners who desire to dispose of their hands are receiving good offers. Sheepmen, who are in the height of the lambing season, are not at all discouraged. On the contrary, they express general satisfaction at the increase. Quite a number have reported marking close to 100 per cent of lambs, which, when one realizes that a month ago many of them would have been satisfied with a guarantee of sixty-five per cent, is very gratifying.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

The Best in the World.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by Blakeley & Houghton Druggists.

An Epidemic of Whooping Cough.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure.—JOHN E. CLIFFORD, Proprietor Norwood House, Norwood, N. Y. This remedy is for sale by Blakeley & Houghton, druggists.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. LYNN, Dorr, W. Va. This remedy is sold by Blakeley & Houghton, never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain and this quick relief which it affords is alone worth many times its cost. For sale by Blakeley & Houghton.

EXECUTION OF CLAUDE BRANTON

He Was Hanged Yesterday at Eugene for the Murder Last Year of John Linn.

EVERYTHING WENT SMOOTHLY

Was Calm and Cool and Kept His Nerve to the Last—Conferred With Spiritual Adviser Till the Time for Execution.

EUGENE, May 12.—Claude Branton was hanged today for the murder of John Linn.

Branton retired last night at 11 o'clock after writing several letters. He slept well, and got up at the usual time this morning, but would not eat breakfast. Revs. Patterson and Handsaker, of the Christian church, were admitted to the jail at 7 this morning, and remained to the end, praying and singing with the condemned.

At 9:30 his people were admitted to the jail door, and conversed with him a few moments. Sheriff Withers then read the warrant.

Branton left the cell at 10:45 under the charge of the sheriff and two deputies. He walked upon the scaffold unassisted and took his place on the trap. When asked if he had anything to say, he replied that he had but very little.

In a firm voice he told those present that he did not want them to bear any ill-will against his people on his account. He asked for sympathy and prayers, and urged them to walk in God's way. Sheriff Withers sprang the trap at 10:50, and 15 minutes later life was extinct, and the body was cut down. Not a hitch occurred in the whole proceedings, everything passing off as smoothly as possible. The body dropped five feet.

Before leaving the cell Branton bid good-by to all around. He was perfectly calm.

Branton left several letters to be mailed, and gave a white tie to his brother and left a Bible to his mother. All was done without a quiver of a muscle. He assisted the officers in tying his hands, and did all he could to help make a success of the execution.

About sixty people witnessed the execution, while a thousand or more stood in the street around the inclosure, but were quiet and orderly. The body was placed in a coffin and delivered to his people.

New Arrivals.

See that Buckle?

It's something decidedly new and original, and your belt is not quite the latest unless it has this style.

It is so convenient too, so easily adjusted, that you will greatly prefer it to the old style harness buckle, and then it looks so much neater.

Strange to say, however, the price is no higher for a belt with this buckle than it is for one with the other.

A Neatly Dressed Boy

makes a favorable impression everywhere. A boy dressed neatly will take better care of his clothes, consequently they will last longer, and this taking better care of his clothes will eventually become a habit—a part of the boy, and we all know that as the boy becomes a young man and enters into business life, his appearance and neatness of dress and manner is very essential to his success. Therefore start the boy right,—buy him clothes that he cannot help but be proud of—clothes that will please him.

They are not high priced and are absolutely correct if you buy them of
