Oregonians Participated in the Capture  
of San Ildefonso.

## FILIPINO ARMY FLED IN TERROR

Battle Between Spaniards and Natives  
in Mindanno—Fresh Negotiations  
for Peace.

MANILA, May 12.—Two companies of the Second Oregon Volunteers, and the same number of Minnesota men, with twenty American scouts, under Captain Case and Berkheimer, flanked the insurgents at San Ildefonso this morning and captured the place.

The Filipinos, in terror and panic, fired 20,000 rounds of ammunition, but only slightly wounded one scout. One insurgent officer was killed and six men wounded.

The insurgents retreated and are now at San Miguel, six miles north of San Ildefonso.

Twenty per cent of the opposing rebel force has been killed and wounded since Lawton began his advance May 1.

### Fighting in Mindanao.

General Rios, Spain's military representative here, says the inhabitants of Zamboanga, island of Mindanao, demanded arms from General Lonerio for defense against the landing of the American forces but their request was refused. Therefore, the natives at midnight opened fire on the Spaniards with machine guns and rifles stolen from the former Spanish gunboats recently sold to the United States. The natives were repulsed with great loss.

### Aguinaldo Not a Fighter.

Aguinaldo has not in person taken part in a single battle so far. Aguinaldo chafes under the position which General Luna occupies. Luna is the actual head of military operations, and simply uses Aguinaldo as a demi-god, whose name is to the people an incentive to lead them out of the wilderness of slavery, and the feeling of the natives on the subject has been encouraged by cunning lies.

Aguinaldo is holding out for a money settlement. He is getting rich as the war progresses. The army under him is not being paid in cash. The salaries of Filipino soldiers come out of the booty they are able to gather in the towns they enter. It is the policy of the retreating army of insurgents to notify the natives that blood-thirsty Americans are close behind. Immediately the natives desert their homes, and the troops plunder with the full license of Aguinaldo. All this is laid to the American troops. General Luna orders all property destroyed, and tells the natives that the Americans, being enormously rich, will pay all damages.

### Fresh Peace Negotiations.

MANILA, May 13.—The Filipinos have resumed the attempt to induce the Americans to enduce to discuss the situation. Reyes, a young lieutenant on the staff of General Gregori Delphi, came to General Lawton today, under a flag of truce. He was accompanied by a bare-footed bugler. Reyes told General Otis that Aguinaldo desired passes for a military commission to come to Manila to confer with the American Philippine commissioners. General Otis replied that passes would not be necessary, as unarmed commissioners could enter American lines. He would leave the matter in General Lawton's hands.

## RETURN OF ADMIRAL DEWEY

He Will Proceed Home at a Leisurely Rate.

MANILA, May 13.—6:25 p. m.—Admiral Dewey will leave for the United States as soon as he can arrange his business here, and give full instructions for the management of the fleet to his successor. He will probably leave within ten days. The United States cruiser Olympia, upon which Admiral Dewey will make the voyage home, will sail at a leisurely rate, stopping at Mediterranean ports for some time to give the admiral, the officers of the ship, and the crew an opportunity for rest. Like all the Olympia's company, the admiral is much run down by his long stay in the tropical ports. The Olympia will proceed to Hong Kong to be painted white, and to coal and provision for her long journey. Dewey expects to retain his position on the Philippine commission.

## CATARRH OF THE STOMACH

A Pleasant, Simple but Safe and  
Effectual Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied with sour or watery rigings, a formation of gases causing a pressure on the heart and lungs, and difficult breathing; headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surface of the stomach. To secure prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Haslanson the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic, Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite will follow their regular use after meals.

Mr. N. J. Booher, of 2710 Dearborn St., Chicago, Ill., says: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of the stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest as well as the simplest and most convenient remedy for any form of indigestion, catarrh of the stomach, biliousness, sour stomach, heartburn and bloating after meals.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. ## COMING BY REGULAR ROUTE

Second Oregon Will Return via San  
Francisco.

## BE MUSTERED OUT THERE

This is the Wish of the Officers and  
Men of the Regiment.

WASHINGTON, May 12.—Senator McBride today received a reply from Col. Summers to his cablegram of yesterday, in which the colonel stated that it is the wish of the Second Oregon to come home by the regular route and San Francisco. This will mean that the regiment will be mustered out in that city and not in Portland. The senator looks for the early return of the regiment, as he says he expects to leave Washington in a week, and is desirous of learning that the Oregon regiment has started for home before he leaves.

The dispatches indicate that the regulars who have been arriving at Manila are to be sent to the front.

The Seventeenth infantry ought to relieve the Oregon regiment, in which event the regiment should be on its way home in a short time.

In behalf of the people of Portland Senator McBride requested the navy department to order the Iowa or some other available war vessel to Portland to participate in the Fourth of July celebration, but was informed that the Iowa would be in drydock at that time, and that no other war vessels would be in the vicinity of Portland until later in the summer.

Private Joseph Watson, Company H, Second Oregon, has been discharged on account of sickness.

### Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lotz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at Blakeley & Houghton's Drug Store.
