EVERYONE SHOULD GIVE HELP

It is gratifying to note the splendid response which the people of our state are making to the movement to place a token of esteem to the memory of those of Oregon's sons who gallantly laid down their lives for our flag. All reports go to show that the state is thoroughly aroused to the importance of the work, and that our people in other portions of Oregon are coming to Portland in great numbers to take part in the entertainments to be given by the Woodmen of the World, May 30th to June 3d.

This is as it should be. That this movement is destined to be a great success is a foregone conclusion, and that funds enough will be raised to place a beautiful shaft to the memory of "our boys" is certain.

OUTPUT OF THE KLONDIKE.

Table with 2 columns: Year and Output Value. 1849...\$40,000,000; 1850...\$50,000,000; 1851...\$55,000,000; 1852...\$60,000,000; 1853...\$65,000,000; 1854...\$70,000,000; 1855...\$75,000,000.

It was not until 1872 that the annual gold yield of California fell to \$19,000,000. If Alaska is to be a permanent factor in the gold yield of the world, pay ore must be found in its quartz veins, and that has not yet been discovered on the Yukon.

The Kansas City Journal says that the attorney for General Miles severely criticised the findings of the court of inquiry. Well, wasn't he employed to criticise the proceed-

ings, and if he now criticizes the findings he is only earning his pay.

General Lawton with his Indian fighting tactics keeps the Filipinos on the run, and it looks now as if they were approaching the last ditch, in a demoralized condition, where they must fight, surrender or scatter into small guerilla parties.

Discovered by a Woman. Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent.

An Epidemic of Whooping Cough. Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure.
