AGUINALDO'S COM- MISARY GIVE UP

Called Upon General Otis to Make That
Announcement.

DELIVER PERSONS AND PROPERTY

Wet Weather Sets in—Filipino Com-
missioners Are Pleased With Pro-
posed Plan of Government—Do
Not Approve it Officially.

MANILA, May 23.—Rostario, a Filipino
congressman, wealthy resident of Manila
and formerly Aguinaldo's commissary-
general, accompanied by an insurgent
captain, called upon General Otis today
and announced that "we desire to sur-
render our persons and property into
the hands of the Americans."

The surrender was arranged by Chap-
lain Pierce, of the Fourteenth regiment,
who knew Rostario before the war. Ac-
cording to a story told by Rostario, Gen-
eral Luna is absolute dictator and Aguin-
aldo fears him. Every Filipino leader,
it is added, suspects others of treachery.
The recent meeting of the Filipino con-
gress was to secure a new cabinet and
the question of peace was not formally
considered, as the members feared
Luna's displeasure.

Major Bell, with two companies of the
Fourth cavalry, has been reconnoitering
in the direction of Santa Arita. He
found 100 Filipinos there and was driving
them away, when large reinforcements
of the rebels arrived and he was obliged
to withdraw with four men wounded.
A raft carrying soldiers of the Fourteenth
regiment has been sunk at Pasig ferry.
One man was drowned.

The wet season has finally begun and
another week's rain will make the rice
fields thick with mud.

MANILA, May 23.—The Filipino com-
missioners spent the day at the residence
of the American commissioners. They
discussed every point of the scheme of
government and the peace proclamation
details, asking for information as to what
personal rights would be guaranteed
them.

It was explained that they would be
the same as under the United States
legislation. The Filipinos also desired
information as to the school system to
be established and approved of the
American policy of separation of church
and state.

They chiefly objected to the scheme on
the ground that it gave them prospective
liberty which they knew they would
have, but did not give them present
liberty. Finally, the Filipinos said they
were perfectly pleased with the plan,
but could not indorse it officially.

THE ILWACO TRESTLE FELL

Accident on the Railroad—A Narrow
Escape But No One Hurt.

ASTORIA, Or., May 22.—A portion of
the Ilwaco Railway & Navigation Com-
pany's trestle at Ilwaco collapsed this
afternoon, while the beach train was
passing over it, and the locomotive was
dumped overboard into the bay, but for-
tunately no one was injured.

The train, consisting of a freight car,
coach and engine, was backing down to
the wharf, and the two cars passed safely
over, but a cap gave way under the
engine, and it toppled overboard, land-
ing on its side in about eight feet of

water. The coach was drawn over after
it until one end struck the water, the
other remaining on the track.

The engineer and fireman jumped over-
board and swam ashore, as did several
passengers who were standing on the
platforms. Of the eight passengers in-
side the coach, four were thrown into
the water. There were one or two narrow
escapes from drowning, one young man
sinking twice before he was rescued; but
otherwise no one was hurt. This trestle
has been considered unsafe for years,
and the company yesterday began driv-
ing piles to rebuild it.

Discovered by a Woman.

Another great discovery has been
made, and that too, by a lady in this
country. "Disease fastened its clutches
upon her and for seven years she with-
stood its severest tests, but her vital
organs were undermined and death
seemed imminent. For three months
she coughed incessantly, and could not
sleep. She finally discovered a way to
recovery, by purchasing of us a bottle of
Dr. King's New Discovery for Consump-
tion, and was so much relieved on taking
first dose, that she slept all night; and
with two bottles, has been absolutely
cured. Her name is Mrs. Luther Lutz." Thus
writes W. C. Hamnick & Co., of
Shelby, N. C. Trial bottles free at
Blakeley & Houghton's Drug Store.
Regular size 50c and \$1.00. Every
bottle guaranteed.

Recommended for Promotion.

WASHINGTON, May 23.—General Otis
cables the following under date of May
23: On the urgent recommendation
of Lawton, I recommend that Colonel
Owen Summers be made brigadier-gen-
eral of volunteers by brevet, for con-
spicuous gallantry at Maasan, Bulac
Bridge, San Isidro, and that Captain J.
F. Case be made major of volunteers by
brevet, for distinguished services and
gallantry at the above places while act-
ing as division engineer officer.

Summers is colonel of the Second
Oregon volunteers, and commanded the
advance brigade of Lawton's division
during the recent march northward to
San Isidro.

Case is captain of company F, Second
Oregon volunteers.

Deafness Cannot be Cured.

By local applications, as they cannot
reach the diseased portion of the ear
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed con-
dition of the mucous lining of the Eus-
tachian Tube. When this tube is in-
flamed you have a rumbling sound or
imperfect hearing, and when it is en-
tirely closed, Deafness is the result, and
unless the inflammation can be taken
out and this tube restored to its normal
condition, hearing will be destroyed for-
ever; nine cases out of ten are caused
by catarrh, which is nothing but an in-
flamed condition of the mucous sur-
faces.

We will give One Hundred Dollars for
any case of Deafness (caused by catarrh)
that cannot be cured by Hall's Catarrh
Cure. Send for circulars; free.

DROWNED IN THE GRAND RONDE

Rancher Ryncarson is Swept to Rise
No More in Life.

LA GRANDE, May 23.—A. W. Rynear-
son, one of the wealthiest ranchers in
this valley, was drowned in the Grand
Ronde river at 7 o'clock this morning.
Mr. Rynearson was crossing the river,
which is still a greatly swollen and swiftly
flowing stream, on a footbridge a mile
and a half from town. A floating log
struck the bridge, demolishing it and
hurled Rynearson into the turbulent
water. One of the bridge boards fell on
him. He grasped it and gained a foot-
ing, but the swift current again swept
him away, and that was the last seen of
him. Searching parties are trying to
find the body, but the river cannot be
dragged on account of the swift current.
Mr. Rynearson was on the way to the
city to superintend work on one of his
houses. He was sixty-seven years old
and leaves a wife and a number of chil-
dren, and several brothers and sisters.
He was an old-timer, and stood very
high in the community.

I consider it not only a pleasure but a
duty I owe to my neighbors to tell about
the wonderful cure effected in my case
by the timely use of Chamberlain's
Colic, Cholera and Diarrhoea Remedy.
I was taken very badly with flux and
procured a bottle of this remedy. A few
doses of it effected a permanent cure. I
take pleasure in recommending it to
others suffering from that dreadful dis-
ease.—J. W. LYNN, Dorr, W. Va. This
remedy is sold by Blakeley & Houghton.
never been claimed that Chamberlain's
Pain Balm would cast out demons, but
it will cure rheumatism, and hundreds
bear testimony to the truth of this
statement. One application relieves
the pain and this quick relief which it
affords is alone worth many times its
cost. For sale by Blakeley & Houghton.

Notice.

Notice is hereby given that there will
be an annual meeting of the stockholders
of the Golden Eagle Mining Co., at the
office of French & Co., bankers, Wednes-

the purpose of electing seven directors
and transacting such other business as
may properly come before said meeting.

J. A. Penabaker Drowned.

SALEM, May 23.—J. A. Penabaker, a
pioneer of this state, aged 74, was
drowned near Mehama, twenty-six miles
east of here, at ten yesterday morning.
He came to Oregon in '52. Deceased
leaves six children, two of whom, Wil-
liam and Frank, are in business at
Woodburn. Mr. Penabaker was a
brother-in-law of John Q. Wilson, of
Salem, who was in the merchandise
business in '58 at Jefferson.

The Best in the World.

We believe Chamberlain's Cough
Remedy is the best in the world. A few
weeks ago we suffered with a severe cold
and a troublesome cough, and having
read their advertisements in our own
and other papers we purchased a
bottle to see if it would effect us. It
cured us before the bottle was more than
half used. It is the best medicine out
for colds and coughs.—The Herald,

ley & Houghton Druggists.

bowels to remain, the entire system is

will always use them. Snipes-Kinnersly

VOLUNTEERS WILL SOON BE HOME

Every One Will Leave Philippines Be-
fore End of July—Hostilities Are
About Ended.

WASHINGTON, May 22.—The war de-
partment is proceeding on the theory
that by the end of July not a volunteer
soldier will be left in Manila and Gen-
eral Otis' report today that the trans-
port Warren has arrived, advances the
time when the homeward movement of
volunteer troops will begin. Already
notice has been issued that mail for the
First California and Second Oregon vol-
unteer regiments should not be sent to
Manila but to San Francisco.

Turning in for Rest.

WASHINGTON, May 22.—While it is
not so affirmed at the department, the
recent movement is generally believed
to mark the end of the active campaign
before the wet weather sets in. Mac-
Arthur is at San Fernando, south of
Aryat, where Kobbe and Lawton are
now joined. This is a point that has
previously been spoken of as a possible
summer base for American northern
outposts. Lawton's turning in his
march to the north and proceeding
down the Rio Grande is a natural re-
sult of his desire to get behind the in-
surgents at San Isidro and crush them
at a blow, according to program.

Millions Given Away.

It is certainly gratifying to the public
to know of one concern in the land who
are not afraid to be generous to the
needy and suffering. The proprietors
of Dr. King's New Discovery for con-
sumption, coughs and colds, have given
away over ten million trial bottles of this
great medicine; and have the satisfac-
tion of knowing it has absolutely cured
thousands of hopeless cases. Asthma,
bronchitis, hoarseness and all diseases
of the throat, chest and lungs are surely
cured by it. Call on Blakeley & Hough-
ton, druggists, and get a free trial bottle.
Regular size, 50 cents and \$1. Every
bottle guaranteed or price refunded. 3

Dewey Too Ill to Attend the Celebration.

HONG KONG, May 23.—The cruiser
Olympia with Admiral Dewey on board
has arrived here from Manila. She was
saluted by the ships of all nationalities.
Dewey, Captain Lamberton, Lieutenant
Brumby and United States Consul Wild-
man were received by a guard of honor
composed of the Royal Welsh fusiliers,
when they landed to visit the governor
of Hong Kong. Sir Henry A. Blake,
Major-General Gascoigne, in command
of the troops, and Commodore Powell,
commanding the naval forces. The
visit was afterwards returned by the
officials mentioned. Dewey is in bad
health, being too ill today to attend the
queen's birthday celebration. The Olym-
pia is going to dock here and will remain
ten days at this port.
