ILLY PREPARED FOR THEIR WORK

Peace Conference Is Therefore Making Slow Progress.

ANGLO-SAXON PROPOSALS BEST

It is Believed That France and Russia and Even Germany, Will Ultimately Agree With Them.

LONDON, May 26.—All the dispatches to the morning papers from The Hague show that the peace conference is suffering from lack of preparation. The Muravieff circular contains heads and chapters, but no details. Its author emphasized disarmament, but slighted arbitration. M. de Staal, in opening the conference, absolutely reversed this order. What is wanted is something for daily wear and tear.

The Daily News says: "The British and American proposals, though simple, are more practicable than the scheme of M. de Maartens, of the Russian delegation, and it is likely that France and Russia, and even Germany, will ultimately agree with them."

War and Tyranny.

THE HAGUE, May 26.—Madame Selenka, the famous peace advocate and promoter of the woman's peace crusade, presented to M. de Staal, president of the peace conference and head of the Russian delegation, an illustrated album containing the text of resolutions in favor of peace, adopted by meetings representing several million women. The album was accompanied by an address, "in the name of the women of eighteen nations," saluting the conference, assuring the delegates of the faith of the memorialists in the results of its labors, begging that the hopes of the people might not be deceived, and that the conference would decide that the evils of war could be cured.

The address concluded as follows: "Your sisters, on behalf of humanity, appeal to you to realize the ideal of fraternity in order that war and tyranny may perish with the century."

M. de Staal had written Madame Selenka that he could receive her for five minutes, but he was so interested that he kept her for half an hour. "Carmen Sylva," Queen Elizabeth of Roumania, contributed a poem to the album, and Queen Wilhelmina sent one of her secretaries to congratulate Madame Selenka on the work of the associations.

An Epidemic of Whooping Cough. Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure.—JOHN E. CLIFFORD, Proprietor Norwood House, Norwood, N. Y. This remedy is for sale by Blakeley & Houghton, druggists.

ROYAL BAKING POWDER CO., NEW YORK.

They are well fed. The sanitary regulations are good.

The inquest will last about a week longer. So far 300 witnesses have been examined. Very damaging evidence has been secured against the rioters. The records of the unions, which were seized by the military authorities, show conclusively the criminal methods of the unions. Black lists of men to be run out of the country were freely circulated. Only a brief examination of the records has so far been made.

General Merriam left today for Denver, leaving Major Smith in command.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hammick & Co., of Shelby, N. C. Trial bottles free at Blakeley & Houghton's Drug Store. Regular size 50c and \$1.00. Every bottle guaranteed.

A Coney Island Fire.

NEW YORK, May 26.—As the result of a fire at Coney Island, seven blocks of frame buildings were destroyed; loss \$350,000. In one hour after the first warning a large square filled with buildings utilized for such purposes as photograph galleries, saloons, dining rooms, dance hall, theatres and like, were in ruins.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for consumption, coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on Blakeley & Houghton, druggists, and get a free trial bottle. Regular size, 50 cents and \$1. Every bottle guaranteed or price refunded.

Rosa Bonheur Dead.

LONDON, May 26.—A dispatch from Paris today says Rosa Bonheur, the famous animal painter, is dead.

I consider it not only a pleasure but duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. LYON, Dorr, W. Va. This remedy is sold by Blakeley & Houghton. Never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain and this quick relief which it affords is alone worth many times its cost. For sale by Blakeley & Houghton.

DEWEY DELAYED TILL OCTOBER

Will Not Reach Home Until That Month.

English Officers, Wealthy Merchants, Travelers and Government Officials at Hong Kong All Take a Deep Interest in the Admiral but Respect His Desire for Quiet.

WASHINGTON, May 26.—Admiral Dewey today cabled the navy department that he will stop at various places on his way to the United States and reach New York about October 1.

NEW YORK, May 26.—A dispatch to the Journal and Advertiser from Hong Kong says Admiral Dewey shows great improvement already. Installed spaciouly at the Peak hotel, with lofty windows that catch every mouthful of wind from the sea, he is losing the air of languor that he wore when he landed from his blistered cruiser. It was rest that he needed—rest and cooler air. He is getting both.

Society at the Peak is well bred. There are no disturbing factors there. It is here that the English officers and their wives, the government officials, the rich merchants and distinguished travelers take refuge from the heat and noise of the town. They all feel deep interest in the hero of Manila bay, but they respect his desire for quiet. He has become one of them already. With the ease of a polished man of the world, he has dropped into his place in the little community that resembles a house party at an English country residence. Strangers to that community cannot intrude upon him, however. The government detectives see to that, and so do the detectives hired by Consul-General Wildman. So do the swarms of Chinese servants.

At dusk today, when the sea breeze came in, Admiral Dewey took a walk along the bluff with Consul Wildman, and they remained out for half an hour. The victor's bearing was alert and his voice vigorous.

If you suffer from tenderness or fullness on the right side, pains under shoulder-blade, constipation, biliousness, sick-headache, and feel dull, heavy and sleepy your liver is torpid and congested. DeWitt's Little Early Risers will cure you promptly, pleasantly and permanently by removing the congestion and causing the bile ducts to open and flow naturally. THEY ARE GOOD PILLS. We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us.
