

**An Excellent Combination.**

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

**Lower the Insurance Rate.**

In a few days the business men of The Dalles will be visited by a committee and presented with an agreement and subscription for the purpose of raising money to put in an electric fire alarm system here, to purchase a hand chemical engine and a truck and ladder. The proposition will be as follows:

We, the undersigned, do hereby severally promise and agree to pay to the city treasurer of The Dalles City, for the purposes above mentioned, and subject to the conditions hereinafter stated, the sum set opposite our respective names, viz:

In consideration that the underwriters for the insurance of the business people of the said Dalles City, shall give and establish a reduction on the present rates of insurance of ten per cent of the premiums now paid by reason of the

And, it is mutually agreed and understood, that if the sum total herein subscribed shall be in excess of the amount required for the purpose hereinbefore named, then each subscriber shall be allowed and shall receive a rebate out of such excess in proportion to the amount paid by him.
