Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country, "Disease fastened its clutches upon her and for seven years she withstood its severest teets, but her vital organs were undertermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamnick & Co., of Shelby, N. C. Trial bottles free at
