OREGON TROOPS AGAIN ENGAGED

General Hall Whips the Rebels in two Battles.

THREE MEN WERE KILLED

Make a Gallant Charge Over Rice Fields and Up Hillsides.

MANILA, June 4, 8:30 p. m.—General Hall's column, in the movement on the Morong peninsula, completed the circle of twenty miles over a rough and mountainous country, having two engagements with the insurgents, one of them severe, and keeping up an almost constant fire against scattered bands of rebels for nearly twenty-four hours, from 4 o'clock Saturday morning, when the column left the pumping station.

The column, after driving the rebels from the foothills near Maria Chino, about noon yesterday, with a loss of but two or three slightly wounded, proceeded with all possible haste toward Laguna de Bay, the Fourth cavalry in the lead, the Oregon regiment next, and the Fourth infantry last. At 5 o'clock these regiments fought their second battle of the day, and it resulted like the first—in the complete rout of a large Filipino force located in the mountains and having every advantage of position. In this fight the American loss was four killed, three of the Fourth cavalry and one Oregonian, and about fifteen wounded. The Filipino loss could not be ascertained, but the terrific fire which the Americans poured into them for half an hour must have inflicted severe loss.

Oregon Boys Make a Gallant Charge. In this engagement our troops made one of the most gallant charges of the war, and the enemy was forced to flee in the greatest disorder. It was the intention to press on to Antipolo last night, but this was found impossible owing to the two fights and the constant marching for more than twelve hours, with nothing to eat since morning, and no supply train in sight. The troops, however, suffered from the intense heat, many being prostrated, and all greatly exhausted.

The cavalry, the Oregonians and two companies of the Fourth infantry had just crossed a small creek about 5 o'clock yesterday afternoon and entered upon a sunken road, from which they were emerging upon a small valley surrounded on all sides by high and heavily wooded hills, when the rebels, concealed in the mountains on the three sides of the plain, opened a hot fire, and sent showers of bullets into the ranks of the Americans. The latter deployed immediately in three directions.

General Hall's advance was first momentarily halted after he had crossed the first range of hills to the east of Monte, a town in the valley at the edge of the hills. The insurgents were driven out of the town and it was burned. The Second Oregon volunteers pocketed the Filipinos in three sides, and a brisk fight ensued. General Summers threw a battalion on each hill, and the Americans chased the rebels for some distance. The Oregon regiment lost three men killed and six wounded. It is impossible, on account of the terrific fighting and the condition of the signal wires, to get particulars. Not even the names have been sent to General Otis at this writing.

Wool Being Cleaned Out.

PENDLETON, Or., June 4.—Wool buyers say that there is scarcely any wool left in this section, the clip having been cleaned up with greater dispatch than is usual; that is, the wool is sold, and is being shipped out rapidly, and only a few clips remain to be bought. One big lot was bought here last week for twelve cents, which is the top price paid at this

point this year. This lot was of low shrinkage, and does not represent the average. The average will be nearer ten cents, taking all sales of average weight wools.

Would Not Suffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. WILSON, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.

He Was Murdered.

STARBUCK, June 4.—The body of an unknown man was found near Lyon's ferry last night, and brought to Starbuck, where an inquest was held. The body was badly decomposed, and there was nothing on the person by which he could be identified. He wore overalls, a light shirt and heavy congress shoes. The skull was fractured, one leg was broken, and two bruises over the eyes and a broken nose indicated that the man had been foully dealt with. The coroner's jury believed that the man was killed about two months ago, and the body thrown into the Snake river to conceal the crime.

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, Mrs. S. DORV, Des Moines, Iowa. For sale by Blakeley & Houghton, Druggists.

M'Bride's Condition.

NEW YORK, June 3.—United States Senator George W. McBride, of Oregon, is at the New York post-graduate hospital, on Second avenue and Twentieth street. The senator entered the hospital early last week, suffering from complicated rupture. He came to New York from Washington in the hope of obtaining relief by means of an operation, which was performed by Professor W. B. Degarmo. It is thought the operation was entirely successful. Today, Senator McBride was resting easily, and apparently he had rallied from the shock. He was cheerful and sent messages to his friends.

Train Robbers are Captured.

LARAMIE, Wyo., June 5.—A private dispatch has just been received here from Casper, Wyo., stating that the train robbers have been surrounded eight miles from Casper by a posse of 100 men. Capture seems certain. In the posse are sheriff of Natrona and Converse counties, and Deputy Sheriff Martin, of Albany county, with eight special deputies from Laramie.

Taken After a Hard Fight.

OMAHA, June 5.—A special to the Bee from Cheyenne, Wyo., says: A courier has just reached Casper with the news of a battle between the Union Pacific posse and the outlaws who dynamited the company's train at Wilcox. Three outlaws were captured without loss of life, and will be brought to Casper.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. BARCOCK, Erie, Pa. It is for sale by Blakeley & Houghton, Druggists.

SERIES OF FATALITIES

Incident to the Funeral of a Man Who Committed Suicide—Girl Killed and Three Persons at Death's Door.

CHICAGO, June 5.—A special to the Chronicle from Arthur, Ill., says: One boy drowned, a little girl fatally injured beneath the hoofs of horses, two women and a man brought to death's door by the shocks of the accidents, all incidents accompanying the funeral of a man who met with sudden death, made Sunday a remarkable one in this city.

The strange chain of disaster began when the local G. A. R. post buried T. P. Weils, who was asphyxiated by gas in Chicago last Wednesday night. While the funeral was in progress at the cemetery, news reached Gus Baker that his 12-year-old son had just been drowned while swimming. The shock prostrated Mr. Baker, and he had to be taken home in a carriage. When the news was broken to his wife, she went frantic and became unconscious. Both are in a precarious condition.

While the funeral procession was returning from the cemetery one of the carriages ran over Mrs. William Sullivan's little 2-year-old daughter, mangling her in a horrible manner. Miss Ola Clark, a witness to the latter accident, fainted and was carried to the nearest house, where she lay for four hours before recovering sufficiently to be removed to her home.

He Fooled the Surgeons.
