Officials of the Columbia Navigation & Railroad Company announced at Goldendale that the line will be built in time to handle this year's wheat crop. They also state that the Columbus & Dalles portage is a "go," and that money to build the road is already in the bank.

Judge E. B. Seabrooke and Attorney Frank Manley, of Portland, have arrived in Goldendale and are in attendance at the superior court. They have an important land condemnation proceeding for the Columbia Navigation & Railroad Company right of way across the lands of A. H. and L. W. Curtis, at the Grand Dalles. Judge A. S. Bennett, of The Dalles, represents the Curtis interests. It is said, according to the particularly commendable law of the state of Washington, that the right of way across the Curtis lands can be settled inside of ten days.

Judge Seabrooke says his company intends to go to work as soon as the right of way question is adjusted. He further asserts that his company will be able to transport this year's Klickitat wheat from Columbus. In response to a question as to who Engineer Strack represents, Judge Seabrooke said he did not know, any further than he had heard of such a man.

He also declared that the Columbus and Dalles portage will certainly be constructed, and closed by the assertion that the money to build his road lies idle in bank awaiting the determination of the right of way proceedings.—W. W. Union.

**Deafness Cannot be Cured.**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or

imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.
