GENERAL LUNA ASSASSINATED

Falls Victim to Bayonets of Aguinaldo's Guards.

GEN. LAWTON'S HARD FIGHT

Southern Rebels Aggressive and Fight Desperately—American Loss Very Heavy.

MANILA, June 13, 3:35 p. m.—Information believed to be reliable has been reached here of the assassination of General Luna and his aid-de-camp, Lieutenant Paeco Ramon, June 8, by Aguinaldo's guard at the headquarters of Aguinaldo.

Luna and Ramon, it appears, went to the Filipino headquarters to confer with Aguinaldo, got into an altercation with the captain of the guard and one of them drew a revolver. The guard then killed Luna and Ramon with their bayonets.

Hot Fight All Day.

MANILA, June 13, 8:10 p. m.—Fighting at Las Pinas continued hotly all day long. Lawton called out the whole force of 3000 men and at 5 o'clock he was only able to push insurgents back 500 yards to the Zapote river, where they are entrenched. The insurgents resisted desperately and aggressively. They attempted to turn the left flank of the American troops. American loss conservatively estimated at sixty. The battle continues.

Otis Reports the Battle.

WASHINGTON, June 13.—The following cablegram has been received from General Otis:

"Manila, June 13.—Adjutant-General, Washington:

"Lawton's troops had a severe engagement today with the enemy in a strong entrenchment at the crossing of Zapote river, near Bacor, Cavite province. Has driven the enemy back with a heavy loss. Our casualties are some thirty. Insurgents in this southern section were not molested until they threatened an attack in strong force on Manila. They are now scattered and in retreat. It is doubtful if they make further stand."

Bloodhounds on the Trail.

CHEYENNE, Wyo., June 12.—Three trained bloodhounds, from Beatrice, Neb., were sent from here by a special train to the point where Curry and one of the robber's brothers, alleged participants in the Union Pacific robbery, were seen Friday evening and positively identified. The dogs will be started on their track. A telephone message from Casper at 9:15 this evening said there was no news at that point. Long telegrams of instructions and information thus far received were sent out by the Union Pacific today to all sheriffs whose assistance may possibly be needed in chase.

Glorious News.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes:

"Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion and build up the strength. Only 50 cents. Sold by Blakeley & Houghton, Druggists, Guaranteed.

thing he remembers being that for 25 years he has been a commercial traveler, was found lying on the railroad track at Guy, 10 miles east of here yesterday afternoon. He talked in such a rambling way that he was apprehended as insane and turned over to the sheriff. An examination was made by physicians last night, when it was decided that perhaps a few days' rest would result in his recovering his mental balance. Mason, in talking with the doctors, stated that he was 52 years old, a native of Michigan, and during the rebellion had served in the union army. He remembers living in Salt Lake for some time, and thought he had been injured, resulting in blood poisoning, and finally in an attack of dementia, from which he thought he was recovering. Of the recent past he could remember nothing. Mason is a man of education and evident refinement.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

Will Touch at Frisco First.

WASHINGTON, June 13.—A cable dispatch from General Otis, relative to the departure of the Second Oregon, states that the regiment will be taken to San Francisco first, for the reason that one ship could not carry all of them, and it was desirable to send with the two ships sick and wounded soldiers, a detachment of the signal corps and others who were homeward bound.

It is said as soon as the Oregon regiment arrives at San Francisco the soldiers who do not belong to it, can be unloaded and the ships will then proceed up the coast to the Columbia river and Portland. This will be determined by the time of the arrival of the volunteers.

Would Not Suffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.

CYCLONE AND CLOUDBURST

Turn Wisconsin Towns Into Chaotic Waste.

HUNDREDS ARE KILLED

New Richmond, the Greatest Sufferer, Almost Wiped Out—Scores Were Burned Alive—Only a Partial List of the Dead and Dying is Obtainable.

St. PAUL, June 13.—4:30 a. m.—Scores of persons were killed—the number may reach into the hundreds—and hundreds of thousands of dollars worth of property were destroyed by a cyclone that swept across the Mississippi valley east and slightly north of this city last night, practically annihilating the village of New Richmond and causing great property loss also at Hudson, Wis., and at Hastings, Minn., and in the section of country lying between.

How great has been the loss of life, it is impossible to tell, for the storm has interrupted communication with Hudson and New Richmond and reports have come in a roundabout way.

New Richmond, a village of 2000 inhabitants, according to the story, was razed by the storm and soon after was in flames, the injured persons pinned in the wreckage being likely to die by fire. The town was crowded with people who had come from the surrounding country to see a circus showing there, and this fact added to the destruction of life caused by the storm. All the hotels of the village were filled with guests.

Throughout the region of the storm, crops have been destroyed. Grain has been torn out by the roots or beaten into the soil. Trees have been uprooted or snapped off like straws. Fields and roads have been flooded and sections of railroads on all lines passing through the storm section washed out.

Coming on the heels of a heavy rain storm on Sunday and Sunday night, the storm has turned every small stream tributary to the Mississippi in this section into a torrent. Bridges have been swept away and much property damaged by overflow.

Details are Horrible.

NEW RICHMOND, Wis., June 13.—One hundred and seventy-five killed and 400 wounded is the estimate of casualties in last night's storm. This is based on information received by General Manager Scott, of the Omaha railroad. The relief train from St. Paul reached New Richmond early today. Besides supplies of every kind, the train brought twenty nurses and twelve doctors. The storm struck the Omaha road at Boardman, and followed the track to New Richmond. It passed through New Richmond south to north and leveled the center of the city, and people were penned in and scores burned alive.
