## KILLED AND CAPTURED 1500

Lawton's Victory Much Underestimated in First Report.

## REJOICING AT DELIVERANCE

Prominent Friendly Filipino Assassinated at Cebu, Where Inhabitants Ask Additional Protection—General Otis is Organizing Three Regiments From Volunteers, Who Wish to Remain.

WASHINGTON, June 15.—General Otis cabled today the following:

"Manila, June 15.—Adjutant-General Washington: The success of Lawton's troops in Cavite province was greater than reported yesterday. The enemy numbered over 4000. The killed, wounded and captured are more than one-third, and the remainder are much scattered, having retreated south to Imus, their arsenal. Of five pieces of artillery, three were captured. The navy aided greatly on the shore of the bay, landing forces occasionally. The inhabitants in that country rejoice at the deliverance and welcome with enthusiastic demonstrations the arrival of our troops."

The war department bulletins the following:

"Manila, June 15.—Adjutant-General, Washington: A prominent Filipino, friendly to the Americans, has been assassinated at Cebu. The inhabitants of that locality are urgently requesting American protection in stronger force. Have sent a battalion of Tennesseeans and two guns from Ilo Ilo which insure peace. Hughes is now in charge of affairs in that section. OTIS."

### Imus Taken.

MANILA, June 15, 5:50 p. m.—Captain Cable, of General Wheaton's staff, with three companies of the Twenty-first regiment, reconnoitered in the direction of Imus. The rebels, who were apparently expecting an attack, retired, leaving behind them twenty Spanish prisoners, who joined the Americans. The rebels have probably gone to the mountains along the lake. According to the native stories, they carried 100 dead and 300 wounded through Bacoor after the recent battle.

The natives are now flocking into Bacoor, and it is probable there are many soldiers in plain clothes among them. The whole section is practically without food, and General Otis has ordered the distribution of rice and beef to the inhabitants.

### Otis Organizing Regiments.

WASHINGTON, June 15.—Pursuing a policy determined upon some months ago, General Otis is organizing three regiments in the Philippines composed of officers and men of the state volunteers who desire to remain in the service. The army bill authorized this kind of enlistment in the Philippines. General Otis and the volunteer officers in the Philippines have been consulting to see how many men will enlist.

The number has not been very large, as there seems to be a desire on the part of the volunteers to return to the United States with their organizations.

### He Fooled the Surgeons.

All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest cure on Earth, and the best Salve in the World. 25 cents a box. Sold by Blakeley & Houghton Druggists.

## IT MERITS ATTENTION

A New Preparation Which Cures Dyspepsia and Stomach Trouble.

### Remarkable Curative Properties.

A new remedy, which may revolutionize the treatment of stomach troubles, has recently been placed before the public and bears the endorsement of many leading physicians and scientific men.

The remedy is not a wonderful secret discovery, nor a patent medicine, neither is it claimed to cure anything except indigestion and stomach troubles, with which nine-tenths of our nation are afflicted.

The remedy is in the form of pleasant tasting tablets or lozengers containing vegetable and fruit essences, pure aseptic pepsin (free from animal impurities) bismuth and Golden Seal; they are all sold by druggists generally under the name of Stuart's Dyspepsia Tablets.

Many interesting experiments made with these tablets show that they possess remarkable digestive powers, one grain of the active principle being sufficient to thoroughly digest 3,000 times its own weight of lean meat, eggs, oatmeal or similar wholesome foods; these tablets do not act on the bowels like after-dinner pills, nor in fact do they act upon any particular organ, but the manner in which they cure all forms of indigestion is this: They act entirely upon the food eaten, digesting it completely, nourishing every tissue and nerve in the body; they simply perform the work of digestion, thus giving the weak stomach rest and assistance sufficient to enable it to recover its normal strength. This is the reason so many pretended cures have signally failed; they do not furnish the digestive power which is the one thing above all others that the stomach of the dyspeptic lacks, and unless that lack is supplied, it is waste of time to attempt to restore the enfeebled stomach by means of "tonics," "stomach bitters" and "pills" no permanent good can result from their use. If the stomach can be rested and assisted in the work of digestion it will very soon recover; this is the secret and the whole secret of the remarkable success of Stuart's Dyspepsia Tablets, a remedy practically unknown a year ago and now the most popular, widely used dyspepsia remedy, everywhere a success secured almost entirely on its merits, as it has never been extensively advertised. Stuart's Dyspepsia Tablets are now sold by druggists everywhere at 50 cts. per package; if he hasn't them in stock he will order them for you from his wholesale house. They are made by the F. A. Stuart Co., chemists, Marshall, Mich., who will be pleased to send information and testimonials from every state in the union.

### Kodak Discovers a Drowning Boy.

SPOKANE, June 15.—Douglas Martin, the 11-year-old son of Louis I. Martin, fell into the river yesterday afternoon at the big whirlpool and his body is still missing. The lad was sitting on a cofferdam his feet hanging over the whirlpool. He was missed and workmen thought he had gone home, but a kodak enthusiast who was taking a snap-shot at that portion of the river, including the cofferdam, while focusing his instrument saw the boy's body pass across the picture on the sighting lens. His was the only eye to witness the tragedy.

### Would Not Suffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.
