## NEBRASKA AND THE FAIR SEX

Supposed Beneficial Law May Work Them Injury.

## EMPLOYMENT IS JEOPARDED

Women May Be Discharged by Wholesale July 1—And Men Put in Their Places—Law Requires That Employers Shall Not Permit Women to Work Over a Limited Number of Hours Per Day.

CHICAGO, June 20.—A special to the Times-Herald from Omaha says: Female employes in the large mercantile establishments and factories in Omaha are in a condition of unrest. They do not know whether they will hold their present positions after July 1, and if they are discharged they do not know whether they can find another place in which to work.

What is true of the women workers of Omaha is true of other large cities in the state. This condition of unrest is due to the law regulating the employment of women passed by the last session of the legislature, and which becomes operative July 1. It is estimated that 25 per cent of the women employed in stores and factories throughout the state will be dismissed and their places filled by men.

The provisions of the law are peculiar. It regulates and limits the hours of employment of females in manufacturing, mechanical and mercantile establishments, hotels and restaurants. Every employer is compelled to provide suitable seats for the female employes and permit the women to use them. It fixes a penalty of \$50 for every infraction and makes it the duty of the deputy labor commissioner to see that the law is properly enforced.

Through a committee's efforts the women employed in many Omahas stores will be permitted to begin work about 10 o'clock Saturdays in order that they may remain late in the evening of that date, without laying their employers liable to fine. The proprietor of one of the largest department stores in the city said that he did not think the law would cause the dismissal of a large number of women in his establishment, for the present, at least. His firm will obey the law strictly, and if its observance shall suggest economy in the weeding out process, that matter would be taken up later.

The law will work a great revolution in the conduct of hotels, restaurants and small shops, where women are expected to work from daylight to dark. Proprietors of these places are opposed to its enforcement, and are talking of going into the courts to test its constitutionality.

"You can rest assured the law will be enforced," said Bert Buch, a local labor leader. "Organized labor supported the bill before the legislature, and is in full sympathy with its provisions. The deputy state labor commissioner can be depended upon to enforce it rigidly."

In Lincoln, the big storekeepers are as much perturbed over the enforcement of the law as are the merchants of Omaha.

north shore of Denman island, tearing a large hole in her hull. Her captain ran her on the beach, where she now lies. The steamer Maude took off her passengers and a large part of her cargo. The Danube's after hold is full of water, and the freight is badly damaged. Assistance from Victoria has been wired for. No further particulars are at hand. Among the passengers on the Danube were Lieutenant-Governor McInnes and ex-Mayor John Grant, of Victoria. The steamer Tees will take the Danube's passengers on to Alaska.

## DANGER IN SODA

Serious Results Sometimes Follow Its Excessive Use.

Common soda is all right in its place and indispensable in the kitchen and for cooking and washing purposes, but it was never intended as a medicine, and people who use it as such will some day regret it.

We refer to the common use of soda to relieve heartburn or sour stomach, a habit which thousands of people practice and one which is fraught with danger; moreover the soda only gives temporary relief and in the end the stomach trouble gets worse and worse.

The soda acts as a mechanical irritant to the walls of the stomach and bowels and cases are on record where it has accumulated in the intestines, causing death by inflammation or peritonitis.

Dr. Harlandson recommends as the safest and surest cure for sour stomach (acid dyspepsia) an excellent preparation sold by druggists under the name of Stuart's Dyspepsia Tablets. These tablets are large 20-grain lozenges, very pleasant to taste and contain the natural acids, peptones and digestive elements essential to good digestion, and when taken after meals they digest the food perfectly and promptly before it has time to ferment, sour and poison the blood and nervous system.

Dr. Wuerth states that he invariably uses Stuart's Dyspepsia Tablets in all cases of stomach derangement and finds them a certain cure not only for sour stomach, but by promptly digesting the food they create flesh and strengthen the action of the heart and liver. They are not a cathartic, but intended only for stomach diseases and weakness and will be found reliable in all stomach troubles except cancer of the stomach. All druggists sell Stuart's Dyspepsia Tablets at 50 cents per package.

## Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store. 5

## Would Not Buffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.

WASHINGTON, June 20.—General Otis forwards the following:

"Manila, June 20.—Adjutant-General, Washington: Wheaton at Imus, Cavite province, with four guns, four battalions of the Fourth and Fifth infantry, Nevada troops and cavalry. Sent a battalion south on a reconnaissance in the direction of Das Marinas yesterday morning, where the enemy was reported to be concentrating their scattered forces. Wheaton, with two guns and two battalions, hurried forward and repulsed the enemy with heavy loss, the enemy leaving over 100 dead on the field. Our loss is five killed, 23 wounded. Wheaton was reinforced last night by a battalion of the Ninth infantry and is driving the enemy beyond Das Marinas, which is now in his possession. Casualties today not reported. Wheaton's qualities for a bold and successful attack are unsurpassed."
