## DREYFUS ARRIVAL IN FRANCE

Is Supposed to Have Landed At Rennes  
Early In the Day.

## NEW CABINET TAKES HOLD

Minister of War Issues Circular to Generals of Army Wherein He Cautions Them That While He Desires Cooperation, He Will Hold Them Strictly Accountable for Occurrences.

LONDON, June 24.—The Evening News publishes the following from its correspondent at Rennes, France: "With all reserve I send a report that Dreyfus arrived here at 5 o'clock this morning. A special train with four passengers arrived here and the passengers forthwith entered a closed carriage, surrounded by six gendarmes, and drove to the military prison, where the coachman was detained, presumably for fear of leakages. The authorities declined all information and the railway officials are sworn to secrecy."

PARIS, June 24.—The cabinet has sent a circular to the prefects saying a new ministry has been formed to defend the republic and that it puts aside all partisan feeling, which example, it is pointed out, should be followed by the prefects. The latter are urged to promptly inform the government of all acts affecting the respect of established institutions and public order, and to be ready in case of need to act promptly on their own responsibility. The prefects are also warned to let bygones be bygones and to perform their duties with precision. The minister of war has also sent a circular letter to the generals as follows:

"My Dear General: I have been forced, much to my regret, to leave my retreat and assume official duties under the eyes of the country and the government of the republic—responsibility for the army. I am greatly honored and in no wise frightened and I beg you not to forget that I am responsible also for the chiefs of the army, the same as they are responsible to me for all which occurs within their commands. I count therefore on you as you may count on me."  
"DE GALLIFET."

## Indians Fight Over Religion.

VANCOUVER, B. C., June 24.—Three rival factions of the Indian community at Port Essington had a bloody fight last Saturday. The steamer Princess Louise brought the news here, and many of the Indians who took part in the fight came on her. It appears that a few weeks ago the Indians encamped at Essington went on strike in the salmon-fishing business. A corps of the Salvation Army arrived shortly afterwards and commenced to hold revival services. These were very popular for some time, and the Methodist and Church-of-England missionaries then decided to emulate the example of the Salvationists, so that soon they had camp about equally divided among them. This condition of affairs resulted in a serious riot on Saturday, in which many Indians were injured but none killed.

## Wheat Sales in Walla Walla.

WALLA WALLA, Wash., June 24.—During the latter part of last week considerable wheat changed hands here on the bulge in the market. Buyers estimate that 150,000 bushels were sold at 50 cents

## ROYAL BAKING POWDER

for cab and 53 for bluestem. Should the market go back to those figures again it is probable that the Valley would be pretty thoroughly drained of its surplus. The growing crop is in good condition, but being all spring-sown it shows the need of continuous showers, and unless another good rain comes before ripening commences, the crop will be immature and the heads poorly filled.

**A Thousand Tongues**  
Could not express the rapture of Annie E. Springer, of 1125 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will every one who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c and \$1. Trial bottle free at Blakeley & Houghton's drug store; every bottle guaranteed.

## Has Undertaken a Big Contract.

DENVER, June 24.—Kid McCoy has signed a contract with the Colorado Athletic Club of this city to fight any three men who might volunteer to meet him, one each on July 10, 17 and 24. This places the meetings a week apart and, according to the agreement, the association has the right to bring on any three fighters they may arrange with.

## A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, Mrs. S. DORR, Des Moines, Iowa. For sale by Blakeley & Houghton, Druggists.

## Drowned in White Salmon.

HOOD RIVER, Or., June 24.—Henry Kellendonk, twenty-two years old, was drowned yesterday in the White Salmon river by falling from a log. The body was recovered four hours later one mile below the scene of the accident. The funeral was held today, at White Salmon.

## Would Not Suffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. WILSON, Liverman, Burgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.

## Declare for Expansion.

NORTH YAKIMA, Wash., June 24.—A meeting of the populists of Yakima county was held in the city hall this afternoon. The Omaha platform was endorsed. It was resolved by the meeting to keep the party in this county intact. Expansion was declared to be a good thing, and the trusts were branded as enemies of the public welfare.

## Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store. 5

## THE CLEVELAND STRIKE OVER

Street Railway Employees Will Return to Work Without Further Trouble—The Strike Over.

BUTTE, Mont., June 24.—There was a public open air meeting tonight here to protest against the action of the military authorities in the Coeur d'Alenes. The speakers were Judge William Clancy, of the district court, Peter Breen and T. S. Hogan, secretary of state. Mayor McCarthy presided. Speeches were made denouncing the military arm of the government for assuming to dictate to the men of the Coeur d'Alenes whether they should leave the ranks of union labor or surrender their right to earn a living.

The resolutions adopted condemned the imprisonment of men at Wardner "held and tortured to wring from their lips words which might be used to establish their guilt, under conditions which make the Spanish inquisition pale into insignificance."

The resolutions characterize as infamous the "brutality exercised by the military authorities over the men who died in the bull pen by denying them the right to religious consolation at the hour of death." They call upon President McKinley to order the cessation of this usurpation of power.

## The Strike Over.

CLEVELAND, June 24.—An agreement between the Consolidated Street Railway Company and its striking employees was reached at 6 o'clock this evening and it is probable that the cars will be running as usual on all lines of the company tomorrow. The agreement provides for the hearing of grievances and resort to arbitration in case the men and company cannot agree and it also provides for the reinstatement of practically 80 per cent of the old men at once, the remainder, except those who have been guilty of violence, being placed on the waiting list.
