

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO. illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative. In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the company printed on the front of every package. CALIFORNIA FIG SYRUP CO. SAN FRANCISCO, CAL. CANCER IS DEADLY!

Results Fatally in Nine Cases Out of Ten—A Cure Found at Last.

This fearful disease often first appears as a mere scratch, a pimple, or lump in the breast, too small to attract any notice, until, in many cases, the deadly disease is fully developed. Cancer can not be cured by a surgical operation, because the disease is a virulent poison in the blood, circulating throughout the system, and although the sore or ulcer—known as the Cancer—may be cut away, the poison remains in the blood, and promptly breaks out afresh, with renewed violence. The wonderful success of S. S. S. in curing obstinate, deep-seated blood diseases which were considered incurable, induced a few despairing sufferers to try it for Cancer, after exhausting the skill of the physicians without a cure. Much to their delight S. S. S. proved equal to the disease and promptly effected a cure. The glad news spread rapidly, and it was soon demonstrated beyond doubt that a cure had at last been found for deadly Cancer. Evidence has accumulated which is incontrovertible, of which the following is a specimen:

"Cancer is hereditary in our family, my father, a sister and an aunt having died from this dreadful disease. My feelings may be imagined when the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way as to cause great alarm. The disease seemed beyond the skill of the doctors, for their treatment did no good whatever, the Cancer growing worse all the while. Numerous remedies were used for it, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family, for I knew how deadly Cancer is, especially when inherited. I was advised to try Swift's Specific (S. S. S.), which, from the first day, forced out the poison. I continued its use until I had taken eighteen bottles, when I was cured sound and well, and have had no symptoms of the dreadful affliction, though many years have elapsed. S. S. S. is the only cure for Cancer.—Mrs. S. M. IDOL, Winston, N. C.
