

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinal laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of the package.

Copper Creek Mining District.

SILVER STAR MOUNTAINS,
June 24, 1899.

EDITOR OF THE CHRONICLE:—We are located in the Copper Creek mining district, and I'm pleased to let you know how things are. The country is filled with quartz ledges from one to forty feet in width, containing gold, silver, copper and lead, but it will take a million dollars to develop them. The mines are staked out every 600 feet, for fifteen miles up and down Canyon creek. Parties are doing developing work on some of the claims, others have not seen their's since they located them in traveling up this trail. There are no notices nor lines required to hold claims in this section. Good development is being done on two claims, but the most of it is done with wind around Vancouver. Any poor prospector that is thinking of coming here had better stay at home or go to Walla Walla harvesting.

We have learned a new way of making tunnels. First, set up six posts, three on each side, against the face on the ledge, and cover over with logging ten feet in length. Then go above your shed, drill and put in one good shot—say half a stick of powder—and fire it, which will blow one ton of rock down on the shed and your tunnel is complete. Then post a notice inside that you will not be responsible for any assessment work done on this claim. That will hold your mine for one year and longer if good miners drop in and look at them.

Otherwise they would have to pay a man that knew his business to locate one of them.

The trails in this district are a disgrace to a mining camp. The days of '49 were not in it for placer mining. This district has no equal. You can get as many as one or two colors to a pan that's of a very fine quality, but it takes the most powerful glass known to science to discover them. Stocks are very low here, as you can buy for one cent a share in Copper City, but if you don't want to pay that they'll make you a present of 2000 or 3000 shares and pay you to take them. That is all the good word that we can say for this district at present.

Signed by old prospectors from California that know gold when they see it.

JOE WHITE,

Boils and Pimples Give Warning.

AN UNFAILING SIGN THAT NATURE IS APPEALING FOR HELP.

When Nature is overtaxed, she has her own way of giving notice that assistance is needed. She does not ask for help until it is impossible to get along without it. Boils and pimples are an indication that the system is accumulating impurities which must be gotten rid of; they are an urgent appeal for assistance—a warning that can not safely be ignored. To neglect to purify the blood at this time means more than the annoyance of painful boils and unsightly pimples. If these impurities are allowed to remain, the system succumbs to any ordinary illness, and is unable to withstand the many ailments which are so prevalent during spring and summer.

Mrs. L. Gentile, 2004 Second Avenue, Seattle, Wash., says: "I was afflicted for a long time with pimples, which were very annoying, as they disfigured my face fearfully. After using many other remedies in vain, S. S. S. promptly and thoroughly cleansed my blood, and now I rejoice in a good complexion, which I never had before."

Capt. W. H. Dunlap, of the A. G. S. R. R., Chattanooga, Tenn., writes: "Several boils and carbuncles broke out upon me, causing great pain and annoyance. My blood seemed to be in a riotous condition, and nothing I took seemed to do any good. Six bottles of S. S. S. cured me completely and my blood has been perfectly pure ever since."

S. S. S. FOR THE BLOOD

is the best blood remedy, because it is purely vegetable and in the only one that is absolutely free from poison and mercury. It promptly purifies the blood and thoroughly cleanses the system, builds up the general health and strength. It cures Scrofula, Eczema, Cancer, Rheumatism, Tetter, Boils, Sores, etc., by going direct to the cause of the trouble and forcing out all impure blood.
