WHAT THEY ARE DOING.

Grand Lodges Proceed With Routine Work With a Vigor.

The grand lodge A. O. U. W. is getting down to business, and from this morning on their session will be full of important business in connection with the welfare of the order.

Among other matters coming up at yesterday's afternoon session, the question of changing the date of the yearly meetings was discussed, and also changing them from annual to biennial meetings. After some discussion it was decided that they remain as at present.

The following committee on good of order was appointed: Messrs. Nickerson, Belknap, Allen, Watters and Daniels.

A special committee on Grand Medical Examiner's report was appointed, consisting of Dr. Nottage, Dr. Mason and C. W. James.

The committees on good and state of the order were made a joint committee on the subject of extension of work. "This morning Supreme Master Workman, D. H. Shields, of Hannibal, Missouri, was a visitor in the grand lodge and to him was extended the courtesies of the lodge, and he presided over the morning session.

The hospitalities of the D. C. & A. C. of this city were extended to the lodge, and accepted with thanks.

In the case of E. P. Hughes, a suspended member of Prosperity No. 75, whose beneficiaries were claimed at \$2000, it was decided adversely on the ground that he was suspended before the time of his death.

Charters were ordered issued to thirteen new lodges which had been instituted during the year.

The case of J. H. Bingham, of Eureka, No. 125, as appealed from the decision of the grand recorder, was reviewed and referred to the committee on appeals and grievances. A majority report in favor of sustaining the report of the grand recorder was brought in, also a minority report adversely. He is therefore now a member in good standing.

D. OF H.—TUESDAY AFTERNOON.

The grand lodge session of the D. of H. was taken up reading the grand officers reports. The summary of the grand chiefs' work during the year showed that five new lodges had been organized; had written 1043 letters, granted twenty-three dispensations; that 241 certificates had been issued, and the beneficiary department had now 954 members. All death claims had been adjusted excepting one, which had, after due consideration, been deferred until the meeting of this grand lodge for a decision. The reports of the grand recorder and receiver showed that the business transactions had been efficiently and faithfully performed. The reports of finance and law committees showed that good work had been done. The committee on laws were authorized to proceed and have at least a thousand copies printed for this jurisdiction until the superior lodge has laws provided for the government of subordinate as well as grand lodges.

A pleasant feature of the afternoon was the introduction of a quartet from the grand lodge A. O. U. W., consisting of Bros. Dr. David Walker, of Portland, Dr. Duane and C. J. Crandall, of The

Dalles and Nickerson, of Klamath Falls, who entertained the Degree with choice musical selections which were heartily enjoyed.

Mrs. Mamie Briggs—superior representative, gave a very interesting account of her trip to the Superior lodge and spoke in glowing terms of the reception tendered the superior and supreme lodges while in Indianapolis.

Bro. Stephens made himself popular by giving out tickets to all who desired to attend the evening excursion.

On account of the heat the convention adjourned to meet at 8:30, a. m. Wednesday.

WEDNESDAY

No business of importance was transacted. An invitation was read from the Commercial Club inviting the degree to inspect their club rooms and enjoy the promenade concert from 9 to 11. The Grand lodge will visit Fern lodge this evening.

Bro. C. W. Clarke of Arcadia lodge was duly introduced and given the grand lodge degree.

The secret work was exemplified by the Grand Lady of Honor. The election of officers took place this afternoon.

Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.

A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I tried several prominent physicians and took their treatment faithfully, but was unable to get the slightest relief. In fact, my condition seemed to grow worse, the disease spread over my entire body, and from November to March I suffered agony. I tried many patent medicines, but none relieved me.

Upon the advice of a friend I decided to try S. S. S. Before allowing me to take it, however, my guardian, who was a chemist, analyzed the remedy, and pronounced it free of potash or mercury. I felt so much better after taking two bottles, that I continued the remedy, and in two months I was cured completely. The cure was permanent, for I have never since had a touch of Rheumatism though many times exposed to damp and cold weather.

ELIZABETH M. TIFELL,
3111 Powell Avenue, Philadelphia.
