## OUR SECOND

# Saturday Surprise

promises to excel our first of two weeks ago.

Saturday next-another great day. The many pleased customers and the general success of our recent Saturday Surprise Sale, has prompted us to repeat the same, and if possible to make it even a greater event than the former. Event we have selected entirely different goods from what we showed at the former sale; never-the-less, goods of equally staple goodness and seasonable worth, which when quoted at the extra-special prices to prevail next Saturday, should prove of intense interest to every conservative shopper.
