Americans Capture Calamba.

MANILA, July 27.—7:10 p. m.—Brigadier-General Hall, with 1000 men, has captured Calamba, on Laguna de Bay. Loss to the United States forces, 4 killed, 12 wounded.

WASHINGTON, D. C., July 27.—Calamba is a town of nearly 12,000 population, located on the eastern shore of the bay, thirty miles southeast of Manila, and is much further south than the American troops had yet penetrated on land.

Corcoran Was Found Guilty.

WALLACE, Idaho, July 27.—The jury arrived at a verdict of murder in the second degree at 4 o'clock this morning. Within 20 minutes after the jury retired eleven of them favored the verdict finally rendered, one man holding out six hours for murder in the first degree. Under Idaho's laws, murder in the second degree is punishable by imprisonment from ten years to life. Sentence will be rendered at 1 o'clock, when the court will take a recess until fall. Judge and attorneys leave for home at 2 o'clock.

The verdict is well received by friends of the state. The defense calls it an outrage, but it is not believed that an appeal will be taken, trusting to executive clemency later, rather than risk a new jury.

THEY PETITIONED TOO LATE

Caroline Islanders Want to Be Annexed to the United States.

SAN FRANCISCO, July 26.—The Call tomorrow will say:

"The natives of the island of Kusale, in the Carolines, want to be annexed to the United States. The king, high chiefs and prominent men on the island, to the number of 72, have forwarded a petition to that effect to San Francisco, with the request that it be laid before the president. They say not a word about the Spaniards or the Germans, but simply ask to be taken under the fold of the Stars and Stripes. The petition was forwarded today to the president.

"When the barkentine Ruth arrived from the islands a few months ago, she brought the news that the Germans were trying to secure a foothold on the island and the natives were preparing to resist them. Now that Germany has purchased the group from Spain, she will at once take possession, and there may be a war on Kusale similar to that in the Philippines. The petition has arrived too late."

PRESIDENT OF SAN DOMINGO

Falls Victim to Dastardly Plot of Assassins.

FIRST SHOT WAS FATAL

And Second Killed An Old Man Standing Near By—Gomez Aspires to Succeed the Murdered President.

CAPE HAITIEN, July 27.—Details of the murder of President Heureaux, of San Domingo, received here are to the effect that he was assassinated as he was about to leave on horseback for Santiago de los Caballeros. The assassin, Ramon Caceres, surrounded by several accomplices, approached the president as he was talking with some friends, and fired twice with a revolver. The first bullet struck the president in the left side and penetrated the heart, causing instant death. The second bullet killed an old man standing near the president. The assassin and accomplices then fled to avoid shots fired at them by the president's friends. The body of the president was taken to the palace of the governor of Moca.

Heureaux's death has caused a panic. It is said that one Juan Isidro Jimenez, who took part in the attempted insurrection of June, 1898, is a candidate for the presidency. It is reported General Maximo Gomez, formerly president of the Cuban insurrectionists, who is a native of Santa Domingo, also aspired to the presidency. The father of Caceres, the assassin, was put to death by order of Heureaux in 1881.

No Disorder Yet.

FORT DE FRANCE, July 27.—News of the president's death spread rapidly and caused much emotion among the inhabitants of the island. It is believed by many that the murder was the result of a political conspiracy. Vice-President Figne has taken precautions to prevent disorder, and has taken command of troops to that end, but up to the present all is quiet.

Confirmed at Washington.

WASHINGTON, July 27.—The state department received confirmation of the death of the president of San Domingo, in the shape of the following dispatch from the United States consul at Puerto Plata: "President Heureaux assassinated."

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for consumption; she bought a bottle and to her delight found herself benefited from the first dose. She continued to use and after taking six bottles found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottle of this Great Discovery at Blakeley & Houghton's drug store. Only 50 cents and \$1. Every bottle guaranteed. 6

A diseased stomach surely undermines health. It dulls the brain, kills energy, destroys the nervous system, and predisposes to insanity and fatal diseases. All dyspeptic troubles are quickly cured by Kodol Dyspepsia Cure. It has cured thousands of cases and is curing them every day. Its ingredients are such that it can't help curing.
