## RENNES IS TRANSFORMED

Now Calm Where Before All Was Excitement.

## BUT ONE GENDARME LEFT

Talk Comes From All Countries to the Effect That the Verdict Will Injure Paris Exposition—Resolution to Be Introduced in Congress Calling for This Government to Withdraw Support.

RENNES, Sept. 11.—A state of calm prevails here. All the troops and gendarmes who were quartered in the town and its environs have left, and journalists and others interested in the trial have departed since Saturday. Cafes, which for the last few weeks have been thronged with excited crowds, are deserted. This afternoon a solitary gendarme paced up and down before the military prison, and there was not a policeman or soldier near the Lycee, which last week resembled a barracks. Workmen were busily dismantling the courtroom and packing chairs, tables and benches on trolley cars outside. Mme. Dreyfus visited her husband in the prison this afternoon, but not the slightest interest was shown in the meeting by the population. She found him as calm as yesterday. The prisoner smoked his pipe today for the first time in many days, which indicated he was in better spirits than could be expected.

**Sentiment in Washington.**  
WASHINGTON, Sept. 11.—The Dreyfus verdict is attracting much attention in official quarters, but naturally those in responsible positions whose opinions would be valuable are reluctant to express adverse comment, because of the national aspect of the case. The feeling is generally, however, in favor of Dreyfus, and strong sentiment has developed against the injustice which, according to prevailing belief, he has been subject to. Some of the officials express fear that this sentiment will have a serious effect on the French-American treaty when it comes before the senate, as that instrument has not proved very popular, and the present feeling may turn the tide against it.

**Prevent Participation in Exposition.**  
BERLIN, Sept. 11.—It is rumored that a committee composed of leading manufacturers here is being formed for the purpose of preventing German participation in the Paris exposition.

**London Afternoon Papers Unanimous.**  
LONDON, Sept. 11.—The afternoon newspapers, of this city today are unanimous in their denunciation of the verdict in the court-martial of Captain Dreyfus, and they stem with abuse of the system "producing such decisions."

**Demonstration at Budapest.**  
BUDAPEST, Sept. 11.—Several hundred people made a demonstration last evening in front of the French consulate here. They were dispersed by the police and the approaches to the consulate were occupied by policemen in order to prevent further demonstrations.

**Gold Men From Alaska.**  
SEATTLE, Sept. 10.—A consignment of \$1,000,000 worth of Klondike gold for the United States assay office here arrived tonight on the steamer Cleveland from St. Michael. The consignors were the Canadian Bank of Commerce, \$600,000; the Bank of British North America, \$400,000. The Cleveland had 100 passengers from Dawson and Cape Nome.

**Lively at Vancouver.**  
VANCOUVER, Wash., Sept. 10.—This city and barracks was thronged with visitors today, the crowd exceeding that

of any previous day since the organization of the Thirty-fifth infantry. The big military camp furnished sufficient attractions to hold people all day, commencing with guard mount at 9 o'clock this morning, until a concert, which took place on the parade ground at 4 p. m. Many visitors from a distance wait after the concert, expecting to witness regimental dress parade, but they were disappointed in this, reports that such parade would take place being unauthorized. Troops drill and appear on parade every day in the week except Saturday afternoon and Sunday, when they are given a rest.

## FAREWELL TO REV. LOCKE

Former Portland Pastor Goes From San Francisco to Buffalo.

SAN FRANCISCO, Sept. 10.—The Rev. Charles Edward Locke, formerly of Portland, Or., and two years the pastor of Central Methodist church in this city, preached his farewell sermon tonight. He will leave with his family tomorrow evening for Buffalo, N. Y., where he has accepted a call from the Delaware-avenue church, of that city.

Tonight hundreds of people were turned away from Dr. Locke's church, and an hour before the service the auditorium and galleries were packed. Dr. Locke's sermon was inspired by the text found in Proverbs iv:23, "Keep thine heart with all diligence, for out of it are the issues of life." It was a masterly effort. At the conclusion of the discourse the congregation expressed regret and congratulation for their pastor. A year ago Dr. Locke was obliged to hold Sunday evening services in Metropolitan temple in order to accommodate the throng that came to hear him. Four thousand people have gathered to hear him on these occasions. His call to Buffalo is said to be a flattering one, as the church is the largest in that city.

Mr. Segar started two carloads to Cincinnati, and Mr. Chapman one to Montana. The price paid is one cent a pound delivered at the warehouse. The grain in South Douglas is about all threshed and in the granary. There was no damage to speak of on account of the rain.

## AN EXPRESS TRAIN ROBBED

Safe Blown Open and Contents Taken—Men Escaped.

COCHISE, Ariz., Sept. 10.—Express train No. 10, on the Southern Pacific, was robbed near here last night by four masked men, who blew the safe open and took everything in sight. The amount of their booty is said to be small. The train was stopped, the engine, mail and express cars were cut off from the rest of the train and run a mile farther up the road, where the bandits stopped to complete their work. The express messenger was forced to open his car and the robbers attacked the safe with dynamite. The strong box was soon blown open and the contents taken by the thieves, who hastily departed. They were last seen going north on foot, and a posse started out on their trail. The dynamite used on the safe blew out the side of the express car and tore up the floor. There is no clue to the identity of the robbers.

From the Times, Hillsville, Va.

## Knock-Out Drops

"I am a saloon-keeper, and used to think that rock and rye, or whiskey and quinine were proper remedies for coughs and colds. Most of my acquaintances were of the same opinion. Now I know something at least a thousand times better. It is Acker's English Remedy for Coughs and Colds. A good while ago I began to cough and found out then that rock and rye was no good. I got worse and I was beginning to think that the trouble would run into consumption. I didn't take any stock in patent medicines, but somehow or other I tried Acker's English Remedy. One bottle did the business for me—knocked that cough out completely—and it has never come back again. There is never a day passes that I don't say a good word about this wonderful medicine. I almost forgot to say that I am stronger and fresher now, since taking the remedy, than I was before the cough began. I write this letter voluntarily and cheerfully and am glad to do it." (Signed) OZAS. HUMBLE, Saloon-keeper, Pocatello, Idaho.

## CAPTAIN CASE ON THE SITUATION

Thinks That a Vigorous Fall Campaign Will Put An End to the War in the Philippines.

CHICAGO, Sept. 11.—Captain J. E. Case, formerly of the Second Oregon volunteers, and a member of the staffs of Generals Merritt, Otis and Lawton, who is visiting Chicago, says he thinks a vigorous fall campaign will put an end to the war in the Philippines.

"It takes a good deal to demoralize a Filipino army, and it would be a rash statement to declare that the insurgents are now demoralized, but it is certain that they ran earlier in the battle than was formerly the case. It is the general opinion of the officers that if General Otis were to confine himself to one department the war would progress more satisfactorily.

"General Otis makes a first class civil governor. In the field, there were several instances in which he held troops back after they had accomplished their work and thus necessitated it being done over.

"I think all the casualties are faithfully reported by General Otis."
