Authorities Give Natives at Cavite Every Possible Concession.

### NATIVE CLAIMS PRIZE MONEY

Colored Boys of the Twenty-Fourth Have Taken Up the White Man's Burden—People of Cebu Restless and Threaten Trouble.

WASHINGTON, Sept. 16.—Eight copies of the American, a newspaper published at Manila, received at the war department, contain many interesting items regarding the process of events in the Philippines, which have been omitted from regular press despatches.

Although Cavite has been in the possession of the United States longer than any town in the islands, and is still practically under military rule, the district commander and the provost marshal have given the people every concession which the exigencies of the service would permit. Natives are allowed to remain on the streets until half-past 9 o'clock at night and in other ways they enjoy more liberty than do their brethren in Manila.

Simpleto Samaningo, a native of Cavite, has filed a claim with the United States authorities for prize money in connection with the capture of a filibustering expedition. It seems that he furnished the information which led to the seizure of the steamer Don Jose and a small schooner, both loaded with contraband articles last spring.

The "White Man's Burden" which has been carried by the volunteers and regulars in the Philippine islands for over a year, is now being shared by some of the black boys of the United States. A sergeant in the Twenty-fourth infantry said the other day when saluted with the question, "What are you boys doing here?" "Why, boss, we are here to take up the white man's burden."

According to a special dispatch the people of Cebu are restless and threaten trouble. Although they seem to be peaceful, it is thought to be through fear alone.

The establishment of a public almshouse and a home for incurables at Manila is being strongly advocated, not only as a very necessary charity, but as a means of protection for the American and European population. It is also recommended that the jails be enlarged for the accommodation of vagrants who are able to work, but who will not do so. Good results are shown in the Manila public schools system. The total number of pupils enrolled in that city during July was 4179. It is noteworthy that parents are expressing particular interest in the study of English and the progress being made by many pupils is a matter of great family pride.

### HALF A MILLION LOSS

Particulars of the Fire at Lincoln, Nebraska.

LINCOLN, Neb., Sept. 16.—Fire, which broke out here early this morning, caused a loss of \$500,000. It started in the North block, occupied entirely by printing firms, and spread so rapidly through the building that it was soon apparent the structure with all its contents would be a total loss. From there it spread to the Masonic temple, Methodist church and Webster block.

The North building was occupied by Jacob North, book and job printer, whose loss on building and stock will amount to \$150,000, also by a branch of the Western Newspaper Union, and the

Nebraska Independent Printing Company, whose printing plants were entirely destroyed. The Masonic temple, which stood across the alley, was a three-story brick, with high tower. Besides the Masonic lodge which lost everything, the building contained the city public library of 10,000 volumes, the Woodruff Printing Company and the Evening Post, the losses being practically total, and amounting to \$150,000.

St. Paul's Methodist church, one of the most beautiful in the city, was totally destroyed, entailing a loss of \$25,000. The losses on smaller buildings and the contents of others not listed in the foregoing will bring the total up fully to \$500,000.

### WONDERFUL CURE OF DIARRHOEA

A Prominent Virginia Editor Had Almost Given Up, but Was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read His Editorial.

From the Times, Hillsville, Va.

I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow-sufferers that I am a hale and hearty man today and feel as well as I ever did in my life.—O. E. Moore. Sold by Blakeley & Houghton, druggists.

### Will Be Ably Defended.

PENDLETON, Or., Sept. 16.—E. L. Mims, who is confined in the county jail awaiting trial for murder, is to be ably defended. He has wealthy relatives in Tennessee, who will come to his rescue. One of the leading lawyers of that state will be brought here to assist the local attorneys who have been retained by Mims. O. L. Miles, an extensive wholesale merchant of Tennessee, and brother of the prisoner, was at one time agent for the O. R. & N. Co. at Meacham.

### Rich Gold Discovery on Kettle River.

VANCOUVER, B. C., Sept. 16.—Three Americans have reached here from Kettle river, fifty miles in the interior

### Greatest of All

"Every one in San Antonio, Texas, says that Acker's English Remedy is the greatest thing ever put up for coughs, colds, asthma, bronchitis, croup and consumption. I have been using it over four

years for all forms of throat and lung trouble, and have yet to come across a case where it failed. We have four little ones in our family, and neither my wife nor I have ever lost a night's sleep because of throat troubles among the children. I guess that is more than any other family can say. Acker's English Remedy is just as effective for growing people as for the young. It seems to go up to the place where the trouble lies in the throat and bronchial tubes and lungs. It soothes and heals the irritated tissues, loosens up the phlegm and mucus in the breathing passages, quiets the nerves, invigorates the constitution and stops the coughing. My advice to parents is to always keep a bottle in the house. It will be a constant safeguard against croup." (Signed) F. G. ZIMMERMAN, San Antonio, Tex.

Sold at 50c. per bottle, throughout the United States and Canada; and in England, at 2s. 6d. per bottle. If you are not satisfied after buying, return the bottle to your druggist and get your money back.

from Grand Forks, B. C. Their names are Harry Donogh, Harry McLaren and Thomas Ranche. They announce they have discovered enormous copper and gold deposits on the east and north forks of Kettle river. When the news spread at Grand Forks a stampede followed.

The three Americans say that they have staked all they can hold, and their find is no longer a secret. The specimens are the finest gold-copper specimens ever seen here.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Kodol Dyspepsia Cure cures dyspepsia because its ingredients are such that it can't help doing so. "The public can rely upon it as a master remedy for all disorders arising from imperfect digestion."—James M. Thomas, M. D., in American Journal of Health, N. Y.

### PEACEFUL SOLUTION IS HOPELESS

President Krugers Reply Will Be Anything But Satisfactory.

### BOERS WILL STAUNCHLY RESIST

Orange Free State Has Agreed Definitely to Unite With the Transvaal in Opposing the British—Assistance Will Be Material.

LONDON, Sept. 16.—Indications from all sources point to extreme gravity in the Transvaal situation. Pretoria advices emanating from a Boer source say the Transvaal reply is uncompromising, and preparation for staunch resistance is proceeding continuously. Another Pretoria special, dated September 15, says the situation is now regarded as all but hopeless, until Great Britain retreats from her position.

It is now definitely stated that Orange Free State has agreed to unite with the Transvaal in resisting the British claims. Of all the numerous channels through which South African news reaches London, not one gives the faintest hope that the Boer reply will be favorable, the majority taking the view that war is extremely probable.

The First battalion of Northumberland fusiliers, 900 strong, and detachments of the army service corps sailed on the steamer Gaul at 2 p. m. today from Southampton, en route to Natal, amid great enthusiasm. The men appeared in splendid condition and openly anxious for fighting. Gen. Sir George Stewart White, who is going to command the troops in Natal, sailed with his staff on the Tanal Castle from Plymouth.

There's always hope while there's One Minute Cough Cure. "An attack of pneumonia left my lungs in bad shape and I was near the first stages of consumption. One Minute Cough Cure completely cured me," writes Helen McHenry, Bismark, N. D. Gives instant relief. Butler Drug Co.
