Copper Colored Splotches.

There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body. These soon broke out into sores, and it is easy to imagine the suffering I endured. Before I became convinced that the doctors could do no good, I had spent a hundred dollars, which was really thrown away. I then tried various patent medicines, but they did not reach the disease. When I had finished my first bottle of S. S. S. I was greatly improved and was delighted with the result. The large red splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass.
 H. L. MYERS, 100 Mulberry St., Newark, N. J.

Don't destroy all possible chance of a cure by taking the doctor's treatment of mercury and potash. These minerals cause the hair to fall out, and will wreck the entire system.

S.S.S. For the Blood
 is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no potash, mercury, or other mineral.

EARLY HISTORY OF THE CHURCH

Continued from Third page.
 R F Gibbons, Mrs Mary E Mitchell, Mrs Mary Ellen McFarland, Mrs Camille Donnell and Mrs Matilda Gibbons.
 The church has been blessed with a Ladies' Aid Society ever since its formation sometime in 1863. The society has been a great factor in the social relations of the church. Its religious influence has gone out into homes and comforted hearts that were burdened with sorrow and grief. It has been a strong tower of strength in financial needs, and has also stretched out its loving arm to the oppressed. Surely the King of kings has enriched it with the beauty of holiness that fadeth not away. "As ye have done it unto one of the least of these ye have done it unto me."

The church owes much to one who has passed into the Great Beyond, for his intense interest in the successes of the church and Sunday school. In song and story he was a host. His greatest ambition was to draw the young and old into a field of usefulness and higher life, and although he made no public profession of Christianity, he lived it just the same. I refer to the late Hon. Joseph G. Wilson.

There are many others who have done noble and faithful work for this church in former years; who always held its interests dear to their hearts. They, too, have been gathered home.

In conclusion, above all else, this church has reason to thank God for His protecting, preserving care, His mercies, His love, His infinite goodness in all these years; for those who have believed in prayer as well as works.

A remarkable fact is that of all those who were the pioneer organizers of the church, Hon. Zelek Donnell is the only one who has passed away. Rev W A Tenny and Mrs A W Tenny are residing in Oakland, Cal.; Hon E S Joslyn and Mrs Joslyn are living in Colorado Springs, Colo.; Mr E S Penfield, a fresh, well-kept gentleman of 81 summers, who is with us today, resides in Canyon City, this state; Mr W B Stillwell lives in Southern Oregon; Mrs Camille Donnell resides with her son, Martin Z Donnell, in this city. To me she has not grown a bit old, or lost any of the freshness of her young womanhood that she possessed when I met her first in the spring of 1863.

In conclusion, the following items will be interesting. Our church, late in the fall of 1870, resolved to cut itself loose from the A. H. M. society's future assistance. From that day this church has assumed its own financial responsibilities for pastors' salaries and incidental expenses, and has never seen the time that it would reverse its decision. In the matter of woman's suffrage, this church was the first Congregational church in Oregon to accord to the ladies the undisputed right to vote at any and all church elections, and on all questions arising in church matters.

The unwritten history of the church from the close of 1888 to the present time is familiar to you all, and is left in your hands to carry on in data, which will be of as great interest and value to those in future years as the recorded events in the years passed are to you. To you, let me say, husband with care the details of its passing years.

"Let the light stream on in its deeds of love—The glorious record of its virtues Write" and hold it up to men. Bid them claim a pain And catch from it the hallowed flame."
