"JERRY" AND "AGGY."

There may be some anti-expansionists in the state of Kansas, but it is evident that they are in the minority, says the Spokesman-Review. Jerry Simpson, who, in a speech Friday, said he had rather be some some anti-expansionists in the state of Kansas, but it down the state of County of the the state of Oregon, for wasco county, as administrator of the estate of Adolph Agidius, deceased. All persons having claims addecased. All persons having claims against said estate are hereby notified to present the same properly verified to me at the office of my attorneys, Dufur & Menefee, within six months from the date of this notice.

Dated at The Dalles, Oregon, June 5, 1899.

Administrator of the Estate of Adolph Agidius, deceased. fighting with Aguinaldo than with Otis, found that he had struck anything but a popular chord, and he was obliged to leave the platform because of the loud and indignant protests of his audience.

It is seldom nowadays that a public meeting is broken up because the auditors do not agree with the speaker. Free speech is pretty generally tolerated, and a man is allowed to have his say, even if he does indulge in remarks with which his sept25-fi hearers do not agree. There may be interruptions and interrogations, but they are usually of a kind which an The Shasta Route orator can reply to effectively if he has the right on his side.

Simpson was hooted from the platform because he was advocating the cause of one who is arrayed in Trains leave and are due to arrive at Portlan arms against the government of the United States. We acquired sovereignty of the Philippines through fortune of war. Whether we are to retain them matters not. That car be settled by the American people later on. But until the United States decides to relinquish its authority. Aguinaldo in fighting us is as much of an enemy of this country as Spain was after the declaration of war.

Simpson, in glorifying Aguinaldo. was indirectly giving him aid, and the Kansas people when crying the speaker down perhaps had in mind those two sections of the revised statutes which read as follows:

Section 5331. Every person owing allegiance to the United States who levies war against them, or adheres and comfort within the United States of AUSTRALIA.

arplication.

Rates and tickets to Eastern points and Europe. Also JAPAN, CHINA, HONOLULU and AUSTRALIA. or elsewhere, is guilty of treason.

Section 5332. Every person guilty of treason shall suffer death; or, at the discretion of the court, shall be imprisoned at hard labor for not less than five years and fined not less than \$10,000, . . and, moreover, be incapable of holding any office under the United States.

The utter implacability of jealous rage when roused to the murderous point is well illustrated by the details of the tragedy at Walla Walla Thurs day, which resulted in the death, under the most shocking circun wasting diseases, all effects of selfstances, of three persons. There is a lesson in this that persons who are too ready to sow the seeds of dissension between husband and wife might study with profit to the community, and possibly with safety to themselves,-Oregonian.

In proport on to population the duties on imports in England are as Dalles, Oregon.

beavy as those collected in the United States. The dutiable articles A good in Great Britain are tea, coffee, cocoa, chicory, dried fruits, tobacco and drug Sign wine. If it be asked who pays the tax the answer is, every Briton.

The foreign trade of the United States for the first eight months of the present year amounted to \$1,-307,836,006, against \$1,205,554,755 for the corresponding period in 1898. An increase of \$100,000,000, chiefly in exports, is a great advance when the bigness of last year's foreign trade is considered.
