

HOW DEWEY WAS RECEIVED

The Most Magnificent Reception in Our History.

SOLDIERS, SAILORS AND CITIZENS

All Unite in Welcoming the Hero of Manila Bay Amid the Roar of Cannon.

New York, Sept. 27.—Admiral Dewey rose early today and could be seen from Atlantic Highlands pacing Olympia's quarter deck. An outward bound British steamer saluted as it passed. At nine o'clock the Olympia started up the bay for the government anchorage off Tompkinsville.

It was explained today that while Dewey and Rear Admiral Howison both outrank Rear Admiral Sampson, there has been no change in the arrangements giving Sampson full control of the naval portion of the demonstration in Dewey's home.

Long before dawn steam and sailing craft of all sizes gathered in the vicinity of the southwest channel and swarmed around the Olympia. A string of signal lights kept constantly changing as answers were flashed across the bay to salutations and passing ships. Just at dawn the signal lights on the Olympia went down.

At 6:45 the cruiser Chicago, flying the pennant of Rear Admiral Howison, passed in at the narrows. As she neared the Olympia her guns belched forth the admiral's salute, which the Olympia returned with a salute for the rear admiral.

At 8 o'clock colors were sounded and the flag and jack were hoisted fore and aft to the strains of the "Star Spangled Banner."

At 8:30 o'clock the Dolphin hove in sight, having on board the Assistant Secretary of the Navy Allen, who was received with a salute. He went on board the Olympia and remained until the Olympia weighed anchor. All the way up the lower bay the signal buoys were kept busy dipping colors while the steam Siren kept tooting out the thanks of the admiral to his admirers. As the cruiser neared Forts Wadsworth and Hamilton the mariners paraded the quarterdeck in full dress uniform, standing at attention, while the ensign

was lowered and the ship's number displayed. As the Olympia entered the channel the signal corps on the forts waved a welcome which was answered by the ships signalled. The sloops of the forts were crowded with soldiers and as the first gun belched forth a welcome they cheered lustily. The face of the hero of Manila was wreathed in smiles as his ship answered gun for gun. A little later the cruiser joined Sampson's fleet off Tompkinsville, which thundered out a welcome to the commander-in-chief.

The Young Tobacco Fiend.
Pullman, Wash., Sept. 26.—Roscoe Allen, the 7-year-old tobacco fiend, mentioned in whose sad case was made in The Spokesman-Review today, had a fit on Grand street this afternoon and nearly broke his arm. The child was stricken while eating watermelon, and fell to the sidewalk, injuring his arm quite badly. He was picked up and carried into Mr. Layman's house, where he soon recovered, and immediately called for tobacco, which he began to chew vigorously. When asked why she does not keep tobacco from the child, his mother said she tried it one day, and he had eight fits during the day. An effort is being made to have the child sent to the school for defective youth.

Story of a Slave.
To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and

able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Blakeley & Houghton Druggists.

Volcano on James Island.
VICTORIA, B. C., Sept. 27.—The officers of the British warship Leander, which returned to Esquimalt today from a cruise in South American waters reports that a volcano on James island, one of the Calapagos group, became active about three months ago, sending broad streams of lava down its sides. No damage was done, as the island is uninhabited.
When the Leander was going into Callao, the British bark Tennessee was found stranded off the Rimac river. For three days the Leander worked at her, and with the assistance of the steamer Bakquin, she was saved.

WONDERFUL CURE OF DIARRHOEA
A Prominent Virginia Editor Had Almost Given Up, but Was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read His Editorial.

From the Times, Hillsville, Va.
I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow-sufferers that I am a hale and hearty man today and feel as well as I ever did in my life.—O. GLOOMY FEELING HAS DEEPENED

General Impression Now Prevails That Boers Will Not Recede.

UNREST AT PRETORIA GREAT

Transvaal Government Has Already Begun to Appoint Officers to Go to the Front in the Event of Hostilities.

LONDON, Sept. 27.—The Transvaal situation remains unchanged, though if anything, the feeling of gloom has deepened. Cablegrams from Pretoria and Cape Town show that the general impression prevails there that the Boers will not recede from their position, and that feeling of unrest at Pretoria has been intensified.

A dispatch today announces that the Transvaal government has begun to appoint officers to go to the front in case of hostilities. The executive council of the Transvaal has prolonged the sitting of yesterday, and has been in constant telegraphic communication with the Orange Free State. No decision, it is now said, regarding the attitude of the free state, has yet been reached. The Transvaal's reply to the dispatch of Secretary Chamberlain will be drafted today and submitted to the raad in secret session. The members appear convinced that Great Britain is determined on war. Being anxious not to force Great Britain's hand, the Boers will not take any definite steps until the draft of their reply is considered, but notice has been issued to the burghers to be in readiness for the commanding, which will be commenced shortly.

The Orange Free State raad continues in secret session.
A telegram from Johannesburg says that an American named Blake is raising an American corps of 500 men for the Boers.

The war office has ordered a transport and supplies for an army corps to prepare to proceed to the Cape. This is a very important order, and means the early dispatch of any army corps. The men of twenty-five companies are being medically examined at Aldershot today. In spite of these warlike preparations, South African circles in London still believe there will be no war, and that the Boers will finally concede to the British demands.

Reform in Spokane.
SPOKANE, Wash., Sept. 26.—The variety theaters are closed tonight. The council today, in a bitter and exciting session, refused by a tie vote to grant them licenses for another year. Advocates of the theaters then introduced and the council passed resolutions declaring for the suppression of gambling and prostitution, and the strict enforcement of the Sunday closing law.

Distinguished Testimony

No secret society in the world stands higher in noble aims and charitable accomplishments than the Knights of Pythias. That order is doing great good, and one of its finest institutions is the Ohio Pythian Home, at Springfield, Ohio, which is ably presided over by Superintendent Le Fevre and his wife, Mrs. Callie I. Le Fevre, the matron. The latter has recently written a letter, which will command widespread attention because of the prominence of the writer. It is as follows:—

"Messrs. W. H. Hooker & Co., New York: Last year I used Acker's English Remedy at the suggestion of a friend, for a serious, long-standing throat difficulty and extremely hard cough. Had used many well-spoken of preparations without relief. I can honestly say that Acker's English Remedy removed the difficulty and stopped the cough. I did not purchase or use more than three bottles, and at least one-half of the last is still on hand. I also consulted physicians with no permanent results."

The friend to whom Mrs. Le Fevre refers as having suggested Acker's English Remedy is Mrs. W. B. Chilton, wife of the president of the Troy Transfer Co., of Troy, Ohio, where this remedy has accomplished many other cures in Throat and Lung Troubles. In conversation with an acquaintance Mrs. Le Fevre also said: "If you will call on Mr. W. H. Schauss, a prominent china and art merchant of Springfield, Ohio, you will find that he, too, has had any amount of experience with Acker's English Remedy in his family, and thinks they cannot keep house without it."

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 25c, 50c, and \$1 a bottle in United States and Canada. In England, 1s, 2s, 3s, and 4s 6d.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.
