TRIBUTE TO H. B. BORTHWICK.

Mr. Borthwick's death is a genuine loss to the lower Columbia river. He was a man of remarkable activity and his business enterprise knew no bounds. He came to Astoria with a branch of his mill and, in spite of the distance from his operating plant, soon had a practical monopoly of the retail trade. His lumber venture in this city was followed by the establishment of a wood depot from which the town today draws perhaps its largest fuel supply. He was a man of the most stalwart integrity and it is said he never secured a customer whose patronage afterwards was lost through any dissatisfaction with the quality of the commodity sold him or out of misunderstanding about the price. Oregon has too few citizens of the mold of Mr. Borthwick, and with the possession of half dozen men of like courage and energy the development of Clatsop county's latent resources and the future of Astoria would be easily assured. In his private as well as in his business relations Mr. Borthwick was universally respected, and he will be missed more by none, even in his intimate domestic circle, than by the men who sustained the relation to his various business enterprises of humble daily wage earners.—Astorian.

QUALITY AND NEWS

FAITH AND EXCELLENCE ARE DETERMINING FACTORS IN SUCCESSFUL DEVELOPMENT.

One of the Important Functions of High-Class Newspapers.

In presenting interesting phases of scientific and economic problems, high-class newspapers frequently give information of great value in their advertising columns as in those devoted to the publication of the principal events of the day; and when the fame of a product is extended beyond its natural limits into foreign lands, and a large demand created throughout Great Britain and her colonies and the principal seaports and cities of Europe, Asia and Africa, it becomes a pleasant duty to note the fact and to tell of the points of excellence on which so great a success is based. We refer to the now world-famed laxative remedy, Syrup of Figs, the product of the California Fig Syrup Company. The merits of this well-known excellent laxative were first made known to the world through the medical journals and newspapers of the United States; and is one of the distinct achievements of the press. It is now well known that Syrup of Figs is an ethical proprietary remedy, approved by the most eminent physicians everywhere because it is simple and effective, yet pleasant to the taste and acceptable to the system, and not only prompt in its beneficial effects, but also wholly free from any unpleasant after-effects. It is frequently referred to as the remedy of the healthy, because it is used by people who enjoy good health and who live well and feel well and are well informed on

all subjects generally, including laxatives. In order to get its beneficial effects, it is necessary to get the genuine Syrup of Figs, which is manufactured by the California Fig Syrup Co. only.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Blakeley & Houghton Druggists.

Military Operations in Philippines.
WASHINGTON, Oct. 10.—The war department today received the following dispatch from General Otis:

"Manila, Oct. 10.—General Schwan's column moved early this morning from Santa Cruz de Malabon. It is now believed to be in San Francisco de Malabon, and not to be meeting with very determined resistance. Matters are quite in the Imus section.

"General Young with a column starts northward tomorrow morning from San Fernando. Colonel Bell cleared the country yesterday west of Gaugua to and including Florida Bateans, making captures of a number of officers and men and also property."

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Stratsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1.00. Every bottle guaranteed. Trial bottles free at Blakeley & Houghton's Drug Store.

Ask For Portage Railroad.

PORTLAND, Oct. 9.—At a special meeting of the Chamber of Commerce of this city today the Lewiston, Idaho, Commercial club submitted a communication asking that resolutions be adopted urging congress to abandon the proposed boat railway at The Dalles, and build a portage railroad instead. The resolution ask for an appropriation of \$450,000.

During the winter of 1897 Mr. James Reed, one of the leading citizens and merchants of Clay, Clay Co., W. Va., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by Blakeley & Houghton Druggists.

G. L. PHILLIPS,
County Treasurer.

On the 10th of December, 1897, Rev. S. A. Donahoe, pastor M. E. Church, South, Ft. Pleasant, W. Va., contracted a severe cold which was attended from the beginning by violent coughing. He says: "After resorting to a number of so called 'specifics,' usually kept in the house, to no purpose, I purchased a bottle of Chamberlain's Cough Remedy, which acted like a charm. I most cheerfully recommend it to the public." For sale by Blakeley & Houghton Druggists.
