Little Pimples Turn to Cancer.

Cancer often results from an impurity in the blood, inherited from generations back. Few people are entirely free from some taint in the blood, and it is impossible to tell when it will break out in the form of dreaded cancer. What has appeared to be a mere pimple or scratch has developed into the most malignant cancer.

"I had a severe cancer which was at first only a few blotches, that I thought would soon pass away. I was treated by several able physicians, but in spite of their efforts the cancer spread until my condition became alarming. After many months of treatment and growing steadily worse, I decided to try S. S. S., which was so strongly recommended. The first bottle produced an improvement, I continued the medicine, and in four months the last little seed dropped off. Ten years have elapsed, and not a sign of the disease has returned."
R. F. WILLIAMS,
 Gillburg, Miss.

It is dangerous to experiment with cancer. The disease is beyond the skill of physicians. S. S. S. is the only cure, because it is the only remedy which goes deep enough to reach cancer.

Beach and Bowers' Minstrels.
 The fifth minstrel company this season occupied the Grand last night. It is related of Uriel Acosta, the great scholar and philosopher, that he should have said "There is nothing new below the sun!" Well, that was not the case last night, for a Galveston audience attended for the first time a minstrel "show." That was surprise number one. Number two, the minstrel show did not perpetrate "Break the News to Mother" in any manner, shape or form. Number three, the company had no song folio for sale and hence the happy and unsuspecting auditor none to purchase. No 20-cent folios for 10 cents! And surprise number four, the most surprising and agreeable of all, the audience, which seemingly did not expect to witness much of a performance, were treated to a good minstrel performance, a production decidedly better than that given by similar organizations traveling on the strength of "passed" reputation. The second part included a number of clever specialties. The feats of Pascatel, the posturer and contortionist, were really marvelous. The vocal features last night were as good as the specialties. Beach and Bowers in their "bone solo," as the program calls it, were very clever. Strange to say, one of the best features of the "show" last night was Bobby Beach and his troupe of performing dogs. It is actually hard to tell what the dogs did not do and what wonderful feats Beach could not accomplish with his lot of dogs, for they were trained "par excellence." There were about sixteen of the canines, whose tricks would equal the best witnessed in Galveston in that line. It was excellent. — Galveston News.

There is more Catarrh in this section of the country than all the diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Chamberlain's Pain Balm Cures Others, Why Not You?
 My wife has been using Chamberlain's Pain Balm, with good results, for a lame shoulder that has pained her continually for nine years. We have tried all kinds of medicines and doctors without receiving any benefit from any of them. One day we saw an advertisement of this medicine and thought of trying it, which we did with the best of satisfaction. She has used only one bottle and her shoulder is almost well. — ADOLPH L. MILLETT, Manchester, N.H. For sale by Blakeley & Houghton, druggists.

Used by British Soldiers in Africa.
 Capt. C. G. Dennison is well known all over Africa as commander of the forces that captured the famous rebel Gathishe. Under date of Nov. 4, 1897, from Vryburg, Bechuanaland, he writes: "Before starting on the last campaign I bought a quantity of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used myself when troubled with bowel complaint, and had given to my men, and in every case it proved most beneficial." For sale by Blakeley & Houghton, druggists.

It will not be a surprise to any who are at all familiar with the good qualities of Chamberlain's Cough Remedy, to know that people everywhere take pleasure in relating their experience in the use of that splendid medicine and in telling of the benefit they have received from it, of bad colds it has cured, of threatened attacks of pneumonia it has averted and of the children it has saved from attacks of croup and whooping cough. It is a grand, good medicine. For sale by Blakeley & Houghton, druggists.

His Life Was Saved.
 Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50 cents and \$1.00. It speaks of him as a strict disciplinarian, an all-around athlete, a daring horseman and huntman, and socially a good club man and a general favorite. It tells of his marriage to Miss Susy Goodwin, a daughter of the "fighting governor" of New Hampshire, who died in 1874, leaving a son, George Goodwin Dewey.
