

RUMOR NOT YET CONFIRMED

That Ladysmith Has Been Invested Might Be Possible.

RUMORS OF ALL KINDS AFLOAT

One Saying White Has Retreated—British War Office Insists There is No News of Further Boer Movements.

LONDON, Nov. 3.—While there is a habit here to assume that the news of Boer victories emanating from the Continent cannot be true because of the censorship, the fact is forgotten that foreign governments are fully privileged to send and receive cipher messages to and from their representatives in South Africa.

While the wires to Ladysmith are cut, the optimism of the war officials to even believe that Ladysmith was completely invested or Colenso captured, appears to be justified, as this morning it was asserted that the railroad is still open, though traffic has been conducted with the greatest caution.

What, however, was only rumor yesterday evening, it is claimed may be a reality at any moment, as General Joubert with his large and wonderfully noble force, is expected to detach a force of several thousand men and make a dash at the railroad. Rumors of all kinds are turning up here. It is even asserted that General White has been compelled to fall back on Pietermaritzburg, leaving his wounded behind.

Probably such rumors have their origin in recollection of the ominous silence which preceded the evacuation of Dundee. But, on the other hand, it is asserted the conditions are altered and the British guns seem more than equal to the artillery of the Boers, thus enhancing the difficulty of any assault on the British lines.

LONDON, Nov. 3.—The war office this afternoon, replying to inquiries, said that no information had been received there of fresh Boer movements at Colenso or elsewhere. The officials were not aware if the railroad to Ladysmith was intact or not.

Report of Boer Losses.

LONDON, Nov. 3.—Belated dispatches

from the British camp at Ladysmith add little information regarding Monday's fight except estimates of the Boer losses, which are now said to be ninety-five killed and 200 wounded, mostly victims of artillery shells, which have wrought such great havoc that it is said General Joubert has written a letter to General White, British commander, protesting the use of lyddite.

According to all accounts, the presence at Ladysmith of long-range naval guns and the splendid shooting of the blue-jackets have materially improved the position of the British. A temporary armistice was declared Monday evening, to allow the collection of dead and wounded.

A Cape Town dispatch reports the repulse of the Boers by the British yesterday.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50 cents and \$1.00. Trial bottle free at Blakeley & Houghton's drug store; every bottle guaranteed.

Arrested for Burglary.

ELENSBURG, Wash., Nov. 2.—A telegram was received from Sheriff Brown, at Cle Elum, this afternoon, saying he had arrested a man on suspicion of being the robber of the Rehunke jewelry store here yesterday. The fellow had sold a watch or two and a few rings. William Rehunke at once drove up, a distance of twenty-five miles, and telegraphed back that he had identified the jewelry. This is all that is known thus far, but the supposition is that all or nearly all the stolen property has been found.

THEIR CAVALRY IS GONE

The American Losses Slight—Rebels Lost Heavily in Killed, Wounded and Captured; American Loss, One Killed, Two Wounded.

WASHINGTON, Nov. 3.—The war department has received the following cablegram:

"Manila—On November 1, Lieutenant Slavens and eighteen men reconnoitered in MacArthur's front, and struck forty or more entrenched insurgents. They immediately attacked and dispersed them, killing three and wounding a number. No casualties.

"Yesterday, in Lawton's advance at Aliago, he struck the enemy both west and south of the city. Batson's Macabebes, reconnoitering south, struck the insurgents in ambush. Lieutenant Boutele was killed and one scout wounded. Batson routed the enemy, and left seven dead in the thickets.

"Yesterday Bell, of the Thirty-sixth volunteers, with regiment and troop of the Fourth cavalry, cleared the country of all armed insurgents from Florida Blanca to a considerable distance beyond Porac, pursuing them into the mountains, capturing nine of their cavalry forces, several guns, considerable property, killing, wounding and capturing a number of the enemy. The insurgents' cavalry of that section is practically destroyed. Bell's casualties were one man killed and two wounded. OTIS."

For Nearly Two Years Unable to Lay in Bed

"In my capacity as druggist, in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. Its cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 5 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. THORNE, druggist, Buffalo, N. Y.

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.
