## HOW IT ALL HAPPENED

Ohio and Kentucky Do the Handsome Thing.

## MAZET DEFEATED BY FRAUD

But His Friends Announce They Will Contest the Seating of Stewart—Results in Other States—Summary of Results.

Republicans of Ohio now claim Judge Nash's election by from 55,000 to 60,000. Unusual majority in both houses of the legislature.

Democrats carried New York and Kings counties, N. Y., but Republicans make a gain of six in the legislature.

Taylor, Republican, elected governor of Kentucky by from 6000 to 7000.

Bryan is happy over the fact that the fusionists carried Nebraska by from 12,000 to 15,000, but sadness comes o'er him when he contemplates the result in Kentucky.

Assemblyman Mazet, of the nineteenth New York district defeated by about 400, will contest the seating of his opponent, alleging fraud.

J. W. Smith, Democrat, is elected, governor of Maryland by a plurality of about 3000.

Republicans have carried New Jersey by about 20,000 plurality.

The Republicans carried Massachusetts by 65,000 majority, and the legislature of 1900 will be Republican by the usual large majority.

Barnett, the Republican candidate for treasurer in Pennsylvania, has plurality of 125,000.

In Iowa, Shaw, Republican, will have about 60,000 plurality.

In Kansas, the Republican gain is 10 per cent.

The Republican majority in South Dakota will be about 10,000.

James Phelan re-elected mayor of San Francisco by 6000. Democrats elected a majority of their municipal ticket.

Sacramento Republicans elected a mayor by 1822.

COLUMBUS, O., Nov. 8.—Chairman Dick today revised his figures so as to claim from 55,000 to 60,000 plurality for Judge Nash for governor and the rest of the Republican state ticket, and an unusually large majority in both branches of the legislature. No senator, however, is to be selected by this legislature. Outside of the fusion troubles in Hamilton and the confusion in Cuyahoga counties, and the Jones movement in other places, the Republicans seem to have made gains throughout the state, especially in rural districts.

The senate stands nineteen Republicans, eight Democrats, and four doubtful. The house stands fifty-eight Republicans, thirty-four Democrats, and seventeen doubtful.

### Republicans of New York.

NEW YORK, Nov. 8.—In New York county the regular Democratic ticket was elected by pluralities averaging about 50,000. The Republicans will have a majority of thirty in the assembly, a Republican gain of six. In Kings county (Brooklyn) the Democratic ticket was elected by pluralities averaging 14,000.

Practically all political interest in this city, and even throughout the state, is now centered in the question as to whether or not there will be a contest made by Mazet, Republican, who was defeated yesterday by 400 votes.

### Victory in Kentucky.

LOUISVILLE, Nov. 8.—Returns from many mountain countries are still delayed, but from unofficial reports and estimates in missing countries Taylor's plurality will not be changed from the estimates made. Chairman Long, of the Republican committee, said at 1 p. m.: "We have received official returns

from two-thirds of the counties, and, based upon very conservative estimates from missing counties, these give Taylor a plurality of from 8000 to 10,000. As reports come in they are more favorable, and will undoubtedly increase the Republican plurality. Every effort has been made to circumvent any fraud, should it be attempted."

### Result in Nebraska.

LINCOLN, Neb., Nov. 8.—Additional returns received this morning only serve to emphasize the fusion victory in Nebraska at yesterday's election. The fusion majority will not be less than 12,000, and may reach 18,000.

### In Massachusetts.

BOSTON, Nov. 8.—The vote of Massachusetts for governor, complete, is as follows: Crane, Republican, 168,876; Paine, Democrat, 103,814. Republicans regard the result as an endorsement of the policy of the national administration in the Philippines. On the other hand, the Democrats, pointing to the great loss in the Republican vote, claim that Massachusetts has entered a protest against expansion. Especial emphasis is laid upon the fact that 22,000 Republicans refrained from voting.

### Used by British Soldiers in Africa.

Capt. C. G. Dennison is well known all over Africa as commander of the forces that captured the famous rebel Galishe. Under date of Nov. 4, 1897, from Vryburg, Bechuanaland, he writes: "Before starting on the last campaign I bought a quantity of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used myself when troubled with bowel complaint, and had given to my men, and in every case it proved most beneficial." For sale by Blakeley & Houghton, druggists.

### Child Burned to Death.

CORVALLIS, Or., Nov. 7.—The little 3-year-old child of Mr. and Mrs. Ned Simmons, living in Blodgett's valley, was so badly burned last Sunday that it died a few hours later. It had been left with an older child asleep in bed while the parents went to the barn to attend to the chores.

The children had awakened during the absence of the parents, and by some means, probably by approaching too near an open fireplace, the night-dress of the little one had caught on fire. The elder child had started to lead the little one to its parents, but the baby overcome by the heat and suffocation, had dropped when the dooryard was reached.

It will not be a surprise to any who are at all familiar with the good qualities of Chamberlain's Cough Remedy, to know that people everywhere take pleasure in relating their experience in the use of that splendid medicine and in telling of the benefit they have received from it, of bad colds it has cured, of threatened attacks of pneumonia it has averted and of the children it has saved from attacks of croup and whooping cough. It is a grand, good medicine. For sale by Blakeley & Houghton, druggists.

### Anti-Gambling Petition.

SALEM, Or., Nov. 7.—At the city council meeting tonight, a petition praying that gambling be stopped in the city was presented. The petition bore only one signature, as follows: "J. W. Smith and forty-seven others." The petition stated that the rooms behind cigar stores were the bane of young men's lives, and should be closed. As there was no definite information on the subject before the council, the petition was referred to the ways and means committee.

## AN UPRISING OF BASUTOS

The Darkest Cloud Now Settling Over South Africa.

## GREAT CATASTROPHE IMMINENT

Which Great Britain Can Now Take No Steps to Avert—Report of the British Victory Is Confirmed.

NEW YORK, Nov. 8.—A dispatch to the Tribune from London says: The danger of a British uprising is now admitted to be imminent, and this will affect General Buller's plan of campaign and may render necessary the mobilization of a second army corps. The Basutos have a large force of mounted warriors, armed with rifles and highly skilled mounted infantry, and they have an innate passion for fighting and strong animosity toward the Dutch.

Certainly with the Free State at war with England, it is impossible for the British troops to police the Basutoland border or take any but ineffective precautionary measures for averting a dire catastrophe. The black menace is the darkest cloud now settling over Africa.

### Boers in Zululand.

LORENZO MARQUEZ, Nov. (Delayed in transmission).—A runner from Ingavuma, Zululand, brings news that on November 1, 350 Boers invaded British territory and advanced towards the forts at Ingavuma with a white flag. When they were 100 yards distance, they fired volleys into the forts, which however, had been evacuated.

The Boers burned all the stores on the Lebomo and thoroughly ransacked Pemorador, which they burned to the ground.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.
