Quality

It is the high quality of Royal Baking Powder that has established its great and world-wide reputation.

Every housewife knows she can rely upon it; that it makes the bread and biscuit more delicious and wholesome—always the finest that can be baked.

It is economy and every way better to use the Royal, whose work is always certain, never experimental.

There are many imitation baking powders, made from alum. They may cost less per pound, but their use is at the cost of health.

WHEATON ON THE ADVANCE

To Join Hands With Lawton and McArthur Against Rebel Chief.

COUNTRY IS STILL SUBMERGED

But Water Is Falling and Wet Season is Nearly Over—Rebels Are Using Brass Bullets, One Having Been Extracted From the Leg of Lieutenant Donovan.

WASHINGTON, Nov. 9.—The following cablegram has been received at the war department:

"Manila, Nov. 9.—General Wheaton successfully landed an expedition at Lineayan, west of Dagupan, on the afternoon of the 7th, against considerable opposition, and with slight casualties. A rough sea not permitting the landing at San Fabian, north of Dagupan. As directed he is moving Eastward.

"MacArthur seized Malabacat, on the railroad, the 7th instant, Colonel Bell taking the same on a directed reconnaissance.

"Lawton is at Cabanatuan. Troops beyond Talavera and Aliga have met with slight opposition, the enemy being driven back in all instances. The country is still submerged but the water is falling. The troops will move rapidly as soon as the conditions permit. Hughes moved against the Panay insurgents today."

Rebels Use Brass Bullets.

New York, Nov. 9.—The Press says: Brass bullets are being used by the Filipinos against the Americans. That fact was discovered when a bullet with a brass casing was extracted from the leg of a soldier at the polyclinic hospital recently. He is now at Governor's island, being nursed back to health. The patient is Lieutenant Joseph L. Donovan, formerly of the Sixty-ninth regiment. He went to the Philippines as a regular and was wounded in the leg. Being young, strong and healthy, he will not die.

The surgeons found the trouble in the shape of a large bullet, brass-encased, in his leg. Nature has saved Donovan's life by encysting it. Had it not been for the poison-proof cyst that surrounded the bullet, Donovan would have died long ago, the surgeons said.

GOEBEL STILL CLAIMS VICTORY

It Will Require Official Count to Settle Dispute.

REPUBLICANS ALLEGE FRAUD

Bulletin Issued by the Western Union Shows That All but Three Counties Heard From.

LOUISVILLE, Ky., Nov. 9.—The situation in Kentucky is not materially changed at noon. Both parties claim victory and it will take the official count to determine the result. Chairman Long, the Republican committee, said: "We have carried Kentucky by a good safe plurality. There is no question to that, but an attempt is being made to steal it and we will prevent it."

Advises from Democratic headquarters say the late returns show a Democratic increase, and that the state will show a majority for Goebel.

Both Sides Claim It.

LOUISVILLE, Ky., Nov. 9.—10 a. m.—As returns and corrected reports from belated counties come in, the situation in Kentucky is unchanged. Both Democrats and Republicans are claiming the election this morning. Charges of attempted fraud are being made by both parties, and especially so at Republican headquarters in this city.

Private advices from ex-Senator Blackburn at Frankfort are of an encouraging nature to the Democrats, for they say Goebel has carried the state by 4000 plurality and that the figures, when they are completed, will show his election and the election of the Democratic ticket by that plurality. It will take the official count to decide, and there are already many contests in sight.

Republicans Carry New York.

NEW YORK, Nov. 9.—On the basis of

the vote cast in the 150 assembly districts, the Republicans carry the state by a plurality of 11,854, according to the Herald's figures. Roosevelt's plurality last year was 17,785.

Western Union Bulletin.

CINCINNATI, O., Nov. 9.—The Western Union issues the following bulletin today on the Kentucky election:

"With complete returns from eighty-one counties and incomplete returns from thirty-five, making a total of 116 counties out of 119, three counties remaining unreported, Taylor's vote stands 165,098; Goebel's 163,815. The result of the election is still in doubt, the probabilities being in favor of Taylor. Complete returns for counties only partially reported may make a material change in the figures."

Used By British Spiders in Africa.

Capt. C. G. Dennison is well known all over Africa as commander of the forces that captured the famous rebel Galishe. Under date of Nov. 4, 1897, from Vryburg, Bechuanaland, he writes: "Before starting on the last campaign I bought a quantity of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used myself when troubled with bowel complaint, and had given to my men, and in every case it proved most beneficial." For sale by Blakeley & Houghton, druggists.

ADMIRAL DEWEY IS MARRIED

Mrs. Mildred Hazen Became His Bride in a Very Quiet Ceremony Held in a Washington Catholic Rectory.

WASHINGTON, Nov. 9.—Admiral Geo. Dewey and Mrs. Mildred Hazen were married quietly at the rectory of St. Paul's Catholic church in this city, shortly before 10 o'clock this morning. The ceremony was performed by Rev. James F. Mackin, pastor of the church. The ceremony was of the simplest character according to the rites of the Catholic church, and the only witnesses beside the officiating clergyman, were Mrs. Washington McLean and Mrs. Ludlow, wife of Admiral Ludlow, mother

and sister respectively of the bride, and Lieutenant Caldwell, Dewey's secretary.

Arrangements for the wedding were made with all the secrecy which has attended the whole affair. As Dewey is not a Catholic, a special dispensation was required for the performance of the ceremony.

Admiral and Mrs. Dewey left at 12:45 p. m. for New York.

He Murdered in Oregon.

OMAHA, Nov. 8.—A special to the Bee Lead, S. D., says:

Two detectives from Oregon today arrested a miner named Joe McArthur, who has lived for fourteen years on Little Spearfish creek, northwest of this city. His arrest is for an alleged triple murder in Oregon twenty-four years ago.

McArthur was working for an Oregon farmer. He got into a dispute with his employer and shot him dead, also killing the farmer's wife and five year old boy. McArthur escaped and fled to the Black Hills, where he has since resided.

The detectives leave here tomorrow with their prisoner for Oregon.
