though I used them constantly for ten years, the disease had a firmer hold than ever. I tried a number of blood remedies, but their mineral ingredients settled in my bones and gave me rheumatism. I was in a lamentable condition, and after exhausting all treatment, was declared incurable. Seeing S. S. S. advertised as a cure for blood diseases, I decided to try it. As soon as my system was under the effect of the medicine, I began to improve, and after taking it for two months I was cured completely, the dreadful disease was eradicated from my system, and I have had no return of it."
