THURSDAY - - - NOV. 23, 1899

THE TRIAL OF DEWEY.

The great admiral gets a dash of bitterness in his sweet wine of public applause. If he is the philosopher he ought to be he will accept it as the inevitable, remembering, with Tennyson and King Arthur, that fame is naught but half disface, and consoling himself, with Epictetus, that it is not the things of life that hurt one, but one's opinions of those things.

The Spokesman-Review says the wonder is that Dewey has escaped thus far the shafts of malice and envy which are ever directed against the great. There has been something unreal and almost uncanny about the unanimity of this applause. It was too heavenly to last long on this earthly sphere.

The "back fire" has started where an observing person would have expected it to break out—at Washington, the lair of the administration. Dewey has been giving nervous chills to an army of federal officeholders at the capital, and the chills have grown frightfully depressing since he wedded a comparatively young and inordinately ambitious woman. Official Washington, apart from the minority in congress, always plays an administration for a repeater. With McKinley's re-election the tenure of office would be undisturbed. If Dewey should march into the White house, there might be an official revolution. That is sufficient explanation for the fact that the entire pack of capital gossips—"Tray, Blanche and Sweetheart"—were in full cry Tuesday on the admiral's trail.

The admiral did the wrong thing, of course, in transferring the Dewey home to his new wife. He failed to do exactly the right thing when he accepted the gift, but that could be passed over with little comment. If Mrs. Dewey had been the lifetime partner of his manhood, slight fault would be found with the conveyance—but to pass the great gift to a woman just in his arms, and no worthier than millions of other American women—that was, indeed, an unfortunate stumble for the admiral.

But the subscribers to the Dewey home fund are entitled to scant sympathy. The movement was in bad form, and Dewey cheapened himself when he permitted it to continue. He did not need the home. His rank carries a handsome income, and his share of the prize money* to be paid on account of the destruction of the Spanish squadron would handsomely reinforce his naval salary. As between the donor and Dewey, the admiral could not transfer the gift with any degree of propriety, but as between the contributors and the general public, no sympathy is

coming from the latter. The inevitable result has set in, and the country will note with curiosity how Dewey will bear himself through it all. If he is the moral hero and the brainy diplomat the country thinks him, he will be strengthened by this attack. Otherwise there will be a different story.

Chamberlain's Pain Balm Cures Others. Why Not You?

My wife has been using Chamberlain's Pain Balm, with good results, for a lame shoulder that has pained her continually for nine years. We have tried all kinds of medicines and doctors without receiving any benefit from any of them. One day we saw an advertisement of this medicine and thought of trying it, which we did with the best of satisfaction. She has used only one bottle and her shoulder is almost well.

—ADOLPH L. MILLETT, Manchester, N.H. For sale by Blakeley & Houghton, druggists.

Stray Notice.

Came to my place about six weeks ago, a gray stallion colt, about three years old; brand similar to an inverted V with a cap over it. Owner can have the animal by proving property and paying all charges.

The Dalles, Nov. 8, 1899.

A. F. CARLSON.
Ranch in Company Hollow, eight miles southeast of The Dalles. nov8-1m

Are You Looking for Paper Bands?
We don't sell them, but if you want the best five cents worth in this town, try our Far West cigars. It'll make you feel good all over, and only five cents. Ben Ulrich.
