Greatest of All

"Every one in San Antonio, Texas, says that Acker's English Remedy is the greatest thing ever put up for coughs, colds, asthma, bronchitis, croup and consumption. I have been using it over four

years for all forms of throat and lung troubles, and have yet to come across a case where it failed. We have four little ones in our family, and neither my wife nor I have ever lost a night's sleep because of throat troubles among the children. I guess that is more than any other family can say. Acker's English Remedy is just as effective for grown-up people as for the young. It seems to go straight to the place where the trouble lies in the throat and bronchial tubes and lungs. It soothes and heals the irritated tissues, loosens up the phlegm and mucus in the breathing passages, quiets the nerves, invigorates the constitution and stops the coughing. My advice to parents is to always keep a bottle in the house. It will be a constant safeguard against croup." (Signed) F. G. ZIMMERMAN, San Antonio, Tex.

Sold at 25c, 50c and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 6d., 5s. If you are not satisfied after buying, return the bottle to your druggist and get your money back.

We authorize the above guarantee.
